(What We Can And Must DO About It)

Everything you read in this article, "America Under Siege", has been foretold through Biblical prophecy over 2,800 years ago. Various New Testament writings by Jesus and the Apostles Paul, John and Peter, brought some clarity to these prophecies and gave clues to timelines along with certain instructions and warnings.

Introduction

The intended purposes of this article are to correctly frame the context of current and past world events and the inexorable march toward a Socialist-Marxist One World Government, from a Biblical worldview, and to outline actionable steps of what we can and must take.

American culture, societal norms, family structures, personal freedoms, legacy and history are being desecrated, destroyed and dissolved. Our Constitutional 'guarantees' are being ignored, violated and negated. You might say our Constitution is being shredded right before our eyes, and no one is doing anything to stop it.

[The Democrat Party in America has adopted and is practicing Socialist-Marxism.](#) Their plan is the dissolution of our way of life with the plan of merging the United States into *[a confederation of a one world government.](#)* (see, "*[Our Global Neighborhood](#)*")

The so-called Conservative leadership in America is either complicit, or has become ineffective, self-serving and cowardly - or both. Conservatives in congress are being soundly defeated in a political war for the soul and existence of America, which they don't understand, using outdated methods against a foe who is expert at a new style of guerrilla warfare.

We are losing, and in fact, have already lost our nation, our freedoms and our way of life, and it is getting worse. And yes, it is true that under President Donald J. Trump (2024-2028), the Conservatives and Republicans are putting up a fight to reverse the destructive changes brought about by the Democrat party and their co-conspiratorial Marxist-Leftists, but the seeds are sown and are now bearing the fruit of the death of America as a free and Christian nation.

So, please listen up, Christians – this is not our fight! And if you still want to save what was once America, it will not be by fighting through government or politics. *“For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.”* (Paraphrased from [Ephesians 6:12](#)). This is another way of saying that the fight is in the ‘unseen realm’ of the mind, soul and heart.

Furthermore, our politics and our government, as Christians, are clearly defined by the Bible – the same Bible upon which the constitution of the United States was created and upon which it rests.

The Bible gives us the Gospel of Jesus Christ – the "Good News" about Jesus Christ, His life, death, and resurrection and for the forgiveness of sins. It emphasizes God's love and the invitation for people to have a relationship with Him through faith and repentance. It is the power of

God unto salvation for each person. This is what will define the direction of a people and their nation.

So, if you want to save America, then pray fervently, steadfastly and continuously; and preach the Gospel – in season and out of season. Always ready to give a reason for the Hope this is within you. THIS IS THE ONLY WAY to save America – by reaching one person at a time with this message! (And using modern and postmodern methods of religious expressions will not get the job done. Do as Jesus has said and demonstrated.)

We have been put on notice by the Marxist organization UNESCO, over the past 75 years, and now by their brazen [Agenda 21](#), and their [Agenda 2030](#), have developed an advanced framework for the dissolution of America's and every nation's sovereignty and borders. [Their plan, "when implemented, will bring all the people of the world into a global neighborhood managed by a world-wide bureaucracy](#), under the direct authority of a minute handful of appointed individuals, and policed by thousands of individuals, paid by accredited NGOs, certified to support a belief system which contains ideas that are foreign to the American experience, and ignores other values and ideas that are precious to the American experience." (The Commission on Global Governance, 1996; also see, [Global Governance, Our Global Neighborhood, The Report of the Commission on Global Governance](#))

There was a [World Summit on Sustainable Development, held in New York City, NY, USA, September 15-17, 2015](#), in which a date of 2030 has been set for complete global dominance by this Marxist global movement.

[As of this date, August 31, 2021, these Globalists, have been embedded](#) in the U.S. Government, in our legal system at every level, in our religious systems, in our churches, in our school, colleges and institutions of higher education. [Over 528 American cities are members of “Local Governments for Sustainability”](#), which is the Agenda 21 program at the local level. Also known as “[ICLEI](#)”, an international Marxist and Socialist leaning sustainability organization, that helps to implement the Agenda 21 and Local Agenda 21 concepts across the world. The United States has nearly half of the [ICLEI](#)’s global membership of 1,200 cities promoting sustainable development at a local level. (Former presidents, Bill Clinton and George Bush, were responsible for promoting and implementing these Marxists programs in America.)

UNESCO, Agenda 21 and their various entities are using Marxist methods to erase and eradicate the culture, history and legacy of the countries and nations both in Europe and in America.

It is made more difficult to stop the dissolution of our America, since we, in America, have forgotten the principles upon which our country was built. The principles which made America the greatest nation the world has ever seen are principles which spring from the Judeo-Christian

ethos. This is reflected in all our founding documents and in the personalities and lives of our founding fathers.

The spiritual evil swallowing our Nation has always lurked in our world, infecting and infesting the minds of people who, then, manifest this evil on earth, killing, stealing and destroying everything good. Because our Nation was founded on Biblical principles, and our nation trusted and followed God, we have been protected and blessed. Now, we have gone our own way and forgotten God and His Ways, and judgment has come.

Any attempt to win back our Nation and our freedoms will take an extraordinary effort, supreme personal sacrifice and a lifetime effort, and there are very few willing to make such a commitment.

But, there still may be hope. There are still some Americans willing to carry this fight to the enemy, and would be willing to make the commitment if they knew who to follow, knew just what to do and how to do it. But it appears there will be no help from the leadership of any existing political, social or religious organization. It would have to be a true grassroots movement with a new type of leadership. It will take fearless men and women who are full of faith in God, who will not compromise on God's Word and Ways, who will not surrender nor will they quit, even in the face of ruin or death.

The following pages will articulate the steps we must take to engage the enemy and drive this manifest evil from our land. I have abbreviated, simplified these steps, but they will work if you and I will do them. It will take each one of us doing our part.

So, please, as God's people, let's stop living in fear and confusion. Let's stop lamenting, crying, complaining and despairing and let's get to work. Please follow this link to page 2, "OUR STRUGGLE"

“Now the salvation, and the power, and the kingdom of our God and the authority of His Christ have come, and the accuser of our brethren will be thrown down, that is, he who accuses us before our God day and night. And we will overcome him because of the blood of the Lamb and because of the word of our testimony, and we do not love our life even when faced with death.”

(Paraphrase of Revelation 12:10-11)

Methodologies, strategies and tactics employed effectively in political and social conflicts.

Military Maneuvers of War

Penetration of the center, envelopment of a single flank, envelopment of both flanks, attack in oblique order, feigned retreat, attack from a defensive position and the indirect approach.

A commander often must employ more than one maneuver to achieve victory; he may try to penetrate the center but fail, feign a retreat and then envelop a single flank. Each has advantages and disadvantages, while may be more effective in some situations and less in others.

There is also One Modern Maneuver of War: offensive revolutionary guerrilla warfare. This maneuver has actually been around for a while, but is only now becoming a legitimate, effective means of victory. The strategy is to create diversions to distract and confuse your adversary, and while he is distracted, attack him at his core.

This military tactic is also effective in political, religious and social conflict. The dominant philosophy driving this strategy comes from a tactic known as the Hegelian Dialectic, developed by George Wilhelm Hegel, an influential German philosopher in the 18th and 19th century.

What about **Hegel**?

"...the State 'has the supreme right against the individual, whose supreme duty is to be a member of the State... for the right of the world spirit is above all special privileges.'" Author/historian William Shirer, quoting **George Hegel** in his *The Rise and Fall of the Third Reich* (1959, page 144)

In 1847 the London Communist League (Karl Marx and Frederick Engels) used [*Hegel's theory of the dialectic*](#) to back up their economic theory of communism. Now, in the 21st century, Hegelian-Marxist

thinking affects our entire social and political structure. The [*Hegelian dialectic*](#) is the framework for guiding our thoughts and actions into conflicts that lead us to a predetermined solution.

If we do not understand how the Hegelian dialectic shapes our perceptions of the world, then we do not know how we are helping to implement their vision. When we remain locked into dialectical thinking, we cannot see out of the box.

[*Hegel's dialectic*](#) is the tool which manipulates us into a frenzied circular pattern of thought and action. Every time we fight for or defend against an ideology, we are playing a necessary role in Marx and Engels' grand design to advance humanity into a dictatorship of the proletariat.

The synthetic Hegelian [*solution*](#) to all these conflicts can't be introduced unless we all take a side that will advance the agenda. For example, a person can draw you into a conflict and convince you to take a side by feigning a desire to understand your point of view in search of common ground for cooperation or compromise.

It goes something like this: We don't agree on a religious view. Your opponent states their case and asks that you help them understand your views. You have now been drawn into the 'dialectic'. They will always respond with a counterpoint, criticism and ridicule. If you do not concede to a compromise, they will inevitably resort to condescension and threats.

Your opponent will be tireless and relentless in perpetuating the conflict until they gain a compromise from you.

The Marxist-Socialist's main goal is Global domination. (Marxists truly believe the world will eliminate wars, hunger, poverty and will experience global prosperity if they achieve their aims.) A primary tactic is diversion (false flags) through this dialectic process, they have been successful at distracting their adversaries while advancing their causes, unimpeded.

For example, certain branches of the central Socialist organization may create simultaneous debates on a myriad of important social, economic, political and religious issues. I will use the issue of abortion for an example. Having carefully orchestrated a national debate which occupies the nation's attention, and the adversary is sufficiently distracted, the Marxist-Socialist machine goes about their business of building their Global Marxist apparatus.

Here is one small example: #1. THESIS: A Democrat (i.e., socialist) says to a Republican (i.e., conservative), It is a woman's right to abortion. The two sides argue and debate the point.

#2. ANTITHESIS: The unborn have rights and abortion is murder.

#3. SYNTHESIS: (Compromise) Abortion should be allowed in the case of incest, rape or to save the mother's life. The conservative agrees to the compromise.

The results? The Conservative has ceded 25% of the high ground on abortion. The new reality is that the conservative's position is now 75% of what it had been, and the Socialist's position has grown 100%.

This process repeats, and the conservative falls into the trap again, losing 25% again and the Socialist gains 50%. Repeated long enough, the conservative is in disarray, having lost the argument and the superior position, all abortion is legal including infanticide, but the conflict escalates and continues.

These skirmishes are numerous and growing. Gun rights, civil liberties, homosexual rights, transgenderism, global warming, onerous taxation, socialized medicine, social security, etc.

All the while, the Marxist-Socialist *have gained political and social advantage worldwide*, unnoticed and unimpeded.

When we understand what motivated Hegel, we can see his influence on all of our destinies. Hegelian conflicts steer every political arena on the planet, from the United Nations to the major American political parties, all the way down to local school boards and community councils.

Dialogues and consensus-building are primary tools of the dialectic, and terror and intimidation are also acceptable formats for obtaining the goal. The ultimate *Third Way* agenda is world government. Once we get what's really going on, we can cut the strings and move our lives in

original directions outside the confines of the dialectical madness. Focusing on Hegel's and Engel's ultimate agenda, and avoiding getting caught up in their impenetrable theories of [*social evolution*](#), gives us the opportunity to think and act our way toward freedom, justice, and genuine liberty for all.

Today, the dialectic is active in every political issue that encourages taking sides. We can see it in

1. Environmentalists instigating conflicts against private property owners, in
2. Democrats against republicans, in
3. 'Greens' against libertarians, in
4. Communists against socialists, in
5. Neocons against traditional conservatives, in
6. Community activists against individuals, in
7. Pro-choice versus pro-life

No matter what the issue, the invisible dialectic aims to control both the conflict and the resolution of differences, and leads everyone involved into a new cycle of conflicts.

The 'Dialectic' and the Marxist's global [*agenda*](#) is moving along at breakneck speed. The only way to completely stop the privacy invasions, expanding domestic police powers, land grabs, insane wars against

inanimate objects (and transient verbs), covert actions, and outright assaults on individual liberty, is to step outside the dialectic. This releases us from the limitations of controlled and guided thought.

”It was for freedom that Christ set us free; therefore, keep standing firm and do not be subject again to a yoke of slavery.”

Galatians 5:1

WHAT IS TRUTH?

“If you continue in My word, then you are truly disciples of Mine; and you will know the truth, and the truth will make you free.” John 8:32-33

Know Your Enemy

It is very important that you read these quotes by [Karl Marx](#), known as the ‘Father of Communism’ and quotes by [Vladimir Lenin](#), the man who

developed a murderous variant of communist ideology known as [Leninism](#).

In them, you will see and better understand the things you see happening in our world, today. They are still the methods, strategies and techniques for establishing Marxism and a One World Government. They have always been and still are the standard and goal of Marxism. You should know these things to know how the modern Globalist-Marxist thinks and what they are accomplishing:

Quotes by [Karl Marx](#):

- "Take away a nation's heritage, and they are more easily persuaded. "
- "Communism begins where atheism begins. "
- "The education of all children, from the moment that they can get along without a mother's care, shall be in state institutions. "
- "We have no compassion, and we ask no compassion from you. When our turn comes, we shall not make excuses for the terror. "
- "The meaning of peace is the absence of opposition to socialism. "
- "If you can cut the people off from their history, then they can be easily persuaded. "
- "The democratic concept of man is false, because it is Christian. The democratic concept holds that each man is a sovereign being. This is the illusion, dream, and postulate of Christianity. "

- There are, besides, eternal truths, such as Freedom, etc., that are common to all states of society. But Communism abolishes eternal truths, it abolishes all religion, and all morality, instead of constituting them on a new basis; it therefore acts in contradiction to all past historical experience. "
- "The theory of Communism may be summed up in one sentence: Abolish all private property. "
- "When the sufferers learn to think, then the thinkers will learn to suffer. "
- "The Communists everywhere support every revolutionary movement against the existing social and political order of things. They openly declare that their ends can be attained only by the forcible overthrow of all existing social conditions. "
- "The last capitalist we hang shall be the one who sold us the rope. "
- A heavy or progressive or graduated income tax is necessary for the proper development of Communism. "
- "The first requisite for the happiness of the people is the abolition of religion.
- "The unity is brought about by force. "
- "From each according to his abilities, to each according to his needs. "

- "There is no greater stupidity than for people to marry and so surrender themselves to the small miseries of domestic and private life. "
- "Taxes are the source of life for the bureaucracy, the army and the court, in short, for the whole apparatus of the executive power. Strong government and heavy taxes are identical. "

Quotes by [Vladimir Lenin](#):

- "Give me your four-year-olds, and in a generation I will build a socialist state. "
- "We can and must write in a language which sows among the masses hate, revulsion, and scorn toward those who disagree with us. "
- "The press should be not only a collective propagandist and a collective agitator, but also a collective organizer of the masses. "
- "The goal of socialism is communism. "
- "Why should freedom of speech and freedom of press be allowed? Why should a government which is doing what it believes to be right allow itself to be criticized? It would not allow opposition by lethal weapons. Ideas are much more fatal things than guns. Why should any man be allowed to buy a printing press and disseminate pernicious opinions calculated to embarrass the government? "
- "The way to crush the bourgeoisie is to grind them between the millstones of taxation and inflation. "

- "People always have been, and they always will be, stupid victims of deceit and self-deception in politics. "
- "Give me just one generation of youth, and I'll transform the whole world. "
- "One man with a gun can control 100 without one. "
- "As an ultimate objective, "peace" simply means communist world control."
- "Atheism is a natural and inseparable part of Marxism, of the theory and practice of scientific socialism. Our program necessarily includes the propaganda of atheism. "
- "It is, of course, much easier to shout, abuse, and howl than to attempt to relate, to explain. "
- "Medicine is the keystone of the arch of socialism. "
- "One of the basic conditions for the victory of socialism is the arming of the workers Communist and the disarming of the bourgeoisie to the middle class."
- "The best way to control the opposition is to lead it ourselves. "
- "Give us the child for eight years, and it will be a Bolshevik forever. "
- "There are no morals in politics; there is only expedience. A scoundrel may be of use to us just because he is a scoundrel. "
- "We are not shooting enough professors. "

- "Germany will militarize herself out of existence, England will expand herself out of existence, and America will spend herself out of existence. "
- "It is necessary - secretly and urgently, to prepare the terror. "
- "The establishment of a central bank is 90% of communizing a nation. "
- "We want to achieve a new and better order of society: in this new and better society there must be neither rich nor poor; all will have to work. Not a handful of rich people, but all the working people must enjoy the fruits of their common labor. Machines and other improvements must serve to ease the work of all, and not to enable a few to grow rich at the expense of millions and tens of millions of people. This is the new and better society, and it is called a socialist society. "
- "There can be nothing more abominable than religion."

America Under Siege

“Our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.”

(Paraphrased from Ephesians 6:12)

This may be a strange concept or idea to some, but everything we consider as 'real and tangible', the things we can see, smell, taste and

touch, have come from the 'unseen world'. One way of looking at this is to consider the 'unseen world' of atoms, electrons and protons, which creates all the 'matter', seen and unseen. A second way of viewing it, is that those things which are 'built, constructed or done' by people, originated from the 'unseen' world of thoughts and ideas.

The things of this world are temporal. Everything seen on this world is the final manifestation of form and matter, before it decays. Matter decays. People get old and die. The eternal is in the 'heavenly place', the abode of God. The Book of Genesis gives us the best example of this idea, which says, "In the beginning God created the heavens and the earth." All things, seen and unseen, begin with God, Who is unseen.

The Bible tells us that everything, seen and unseen, whether good or for evil, comes, first, from the unseen world 'of the heavenly places'. Effecting change in the temporal means, we must start where the matter begins: in the eternal place, 'the heavenly places'.

Ephesians 6:10-11, fittingly says, *"Finally, be strong in the Lord and in the strength of his might. Put on the whole armor of God, that you may be able to stand against the schemes of the devil.*

Verse 12. "For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.

Verse 13. "Therefore, take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.

Verse 14. "Stand therefore,

- having fastened on the belt of truth, and,*
- having put on the breastplate of righteousness, and,*
- as shoes for your feet, having put on the readiness given by the gospel of peace.*
- In all circumstances, take up the shield of faith, with which you can extinguish all the flaming darts of the evil one; and,*
- take the helmet of salvation, and,*
- the sword of the Spirit, which is the word of God,*
- praying at all times in the Spirit, with all prayer and supplication*

To that end, keep alert with all perseverance, making supplication for all the saints."

Please notice that each piece of the armor of God is not just clothing with some religious significance or decorative garb. Each item represents an ACTION which must be taken.

- The belt of Truth: You are bound to Live and speak the Truth.
- The breastplate of righteousness: You are to live justly, be innocent, stay in right relationship with God.

- The shoes of peace: Walk in peace with God and with man, whenever that is possible.
- The Shield of Faith: Take up your faith in God and act on that faith.
- The Helmet of Salvation: Have the mind which is also in Christ Jesus. Think like Him.
- The Swords of the Spirit: Read, speak and practice the Word of God.
- Pray in the Spirit: Pray and make supplication, at all times.

Do these things, and you will be strong in the Lord and in the strength of his might.

America Under Siege

This Spiritual war for the souls and lives of God's creation has been raging since the Serpent (Satan) entered the garden of Eden and deceived Adam and Eve.

Now, we are called to join God as His disciple in these Last Days, and engage the enemy in this very real cosmic battle for our survival, for our household, for our loved ones and for the souls of God's created children. This is about getting ready, now, today, taking up the full armor of God and engaging the enemy.

Our first step to engaging in this Spiritual War, is to understand that there is a Universal Truth. An Absolute Truth which cannot be compromised or synthesized to suit any individual's personal beliefs that do not conform to God's Word, nor, any agenda except God's Agenda nor anyone's fleshly opinion, lust or personal desires. The Truth is an anathema for its detractors.

The Truth is a Person

This Truth is found in a Person: The [Life and the Word of Jesus \(the "Logos-Word" of God\)](#). Jesus testified to this fact when He said, in **John 14:6**, *"I am the Truth and the life"*, and again, in **John 18:37**, He said, *"I was born and came into the world is to testify to the truth."*

You and I must, first, receive Jesus as our Lord and Savior and become a child of God. **John 1:12**, tells us that, *"As many as received Him, to them He gave the right to become children of God, even to those who believe in His name, who were born, not of blood nor of the will of the flesh nor of the will of man, but of God."*

The Blood of the Lamb and the Word of our Testimony

Being a child of God is the only way knowing the Truth and is the only way to succeed in this war. **Revelation 12:10-12** says, *“Now the salvation, and the power, and the kingdom of our God and the authority of His Christ have come, for the accuser of our brethren has been thrown down, he who accuses them before our God day and night. And they overcame him because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death. For this reason, rejoice, O heavens and you who dwell in them. Woe to the earth and the sea, because the devil has come down to you, having great wrath, knowing that Satan has only a short time.”*

Believe Him at His Word

You can choose to believe God, or not. If you believe Him, you will find an abundant and fulfilling life with the ability to overcome in tribulation. If you choose not to believe Him, you will find eternal darkness “where there is wailing and gnashing of teeth”. In other words, you will perish in the eternal Lake of Fire. Those are the simple facts.

Psalm 34:15-19

The eyes of the LORD are toward the righteous

And His ears are open to their cry.

*The face of the LORD is against evildoers,
To cut off the memory of them from the earth.*

*The righteous cry, and the LORD hears
And delivers them out of all their troubles.*

*The LORD is near to the brokenhearted
And saves those who are crushed in spirit.*

*Many are the afflictions of the righteous,
But the LORD delivers him out of them all.*

Secondly, we must stand on this Truth which is the beginning and the end of every argument. It is our offense, and, it is our defense.

Stand Firm and Speak God's Word

Third, we must stand firm and Speak The Truth, the '[*Rhema-Word*](#)' of God. **Ephesians 6:14** instructs us to, "*Stand firm therefore, HAVING GIRDED YOUR LOINS WITH TRUTH*". We must never engage in debate or argument on any matter thrown at us by the enemy or by those who are deceived.

2 Timothy 2:23-24, tells us, "*But refuse foolish and ignorant speculations, knowing that they produce quarrels. The Lord's bond-servant must not be quarrelsome, but be kind to all, able to teach, patient when wronged*".

We must live and speak the Truth in every circumstance and to every person, at all times. We need not fear or worry. Jesus tells us that, *"When they bring you before the synagogues and the rulers and the authorities, do not worry about how or what you are to speak in your defense, or what you are to say; for the Holy Spirit will teach you in that very hour what you ought to say."* **(Luke 12:11-12).**

Speak and Act on God's Word

Next, we must speak and act on God's Word in all circumstances. Do nothing by your own will. Even Jesus said, in **John 5:30** *"I can do nothing on My own initiative. As I hear, I judge; and My judgment is just, because I do not seek My own will, but the will of Him who sent Me."*

And again in, **John 5:19**, *"Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things the Son also does in like manner."*

Speak by His prompting, act in His manner, and it will come to pass. This is how we God has told us, *"For as the rain and the snow come down from heaven, and do not return there without watering the earth, and making it bear and sprout, and furnishing seed to the sower and bread to the eater; So, will My word be which goes forth from My mouth; It will not return to Me empty, without accomplishing what I desire, and without succeeding in the matter for which I sent it."* **(Isaiah 55:10-11)**

Pulling Down Strongholds, Destroying arguments

"For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds.

"We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ, being ready to punish every disobedience, when your obedience is complete."

(2 Corinthians 10:4-6)

What you are reading on these pages, and in the Bible, regarding these matters, are not just concepts, ideas or religious philosophies. This is the Truth, which must be applied to be effective. This is what you and I must be doing each and every day.

"Knowing the Truth and not applying it, renders it as idle information."

Commissioned and Sent

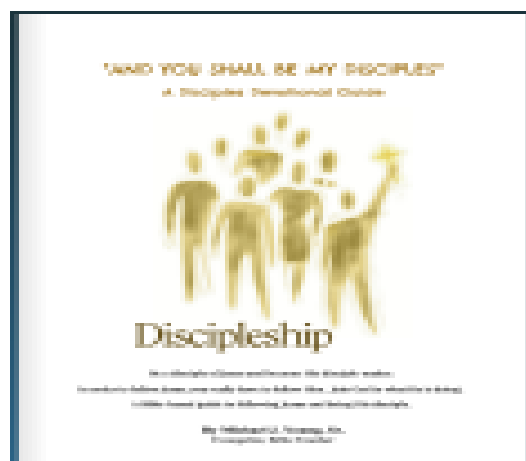

Matthew 28:16-17, tells us, *"Now the eleven disciples went to Galilee, to the mountain to which Jesus had directed them. And when they saw him, they worshiped him, but some doubted."* Did you get that? "But, some doubted", and Jesus sent them anyway. They had been, taught, trained and now, they are sent. This is our model, our calling and our commissioning, also. If you are having any doubts, go, anyway!

In **Matthew 28:18-20**, *"Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."* This process of making and sending disciples has been repeated millions upon millions of times since Jesus gave this prophetic commandment, and this process reached you at some point. You have been called and sent. You and I cannot wait until we think we are ready. Jesus says you are ready, so, now, "Go".

I am closing this section with two final 'helps' and a reminder from Joshua 1:9-15.

The first 'help' is a forty-seven-lesson booklet on how we are to proceed as Jesus disciples. Complete one of these very short lessons each day. You will find instruction, encouragement and strength.

Just click on this image of the book to start.

The second 'help' is to Memorize and Meditate on God's Word. Commit these verses to memory and meditate on them. You will need them.

(Paraphrased from Joshua 1:5-9)

“No man will be able to stand before you all the days of your life. Just as I have been with Moses, I will be with you; I will not fail you or forsake you.” “Be strong and courageous, for you shall give this people possession of the land which I swore to their fathers to give them.

“Only be strong and very courageous; be careful to do according to all the law which Moses My servant commanded you; do not turn from it to the right or to the left, so that you may have success wherever you go.

“The Word of God shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success.

“Have I not commanded you? Be strong and courageous! Do not tremble or be dismayed, for the LORD your God is with you wherever you go.”

AMERICA UNDER SIEGE

“I Have the Full Armor of God – Now What?”

(Please note: There is no ‘shortcut’, no easy 1-2-3, to defeating our enemy. It takes discipline and training and preparation. You need to read, study, pray and prepare. And, you cannot get the complete detail or a complete understanding of the steps we can and must take, unless you read the related links on each of these pages)

A war to resist and overcome the evils enveloping America and the world can be fought in four basic ways: (1). Conventional or guerilla warfare, using conventional weapons of war, economic weapons, psychological warfare, the weapons of the media; (2). Political weapons; (3). Changing and winning the hearts and minds of the people through Spiritual Warfare; (4). Pulling down strongholds, taking every thought captive, destroying arguments.

The first two methods have been in use since creation and have brought only temporary periods of peace or limited prosperity for the few. But, the “unsaved” people among us who share our Christian ideals, but have not received Christ as their Lord and Savior, are still our allies and co- conspirators, and they will continue to wage war against our enemy using traditional methods. However, we have been fighting wars throughout our history, which have murdered billions of people and cause destruction at unimaginable costs in dollars and human suffering, so the first two methods have not brought any measure of lasting peace or prosperity, except to a few.

The last method mentioned, Spiritual Warfare, the spreading the Gospel of Jesus Christ, and *the pulling down and destroying the strongholds of rulers, authorities, cosmic powers, and the spiritual forces of evil in the heavenly places*, is the only way to defeat and eradicate evil and usher in worldwide lasting peace and prosperity.

Spiritual Warfare and spreading the Gospel is the method, mission and ministry to which God has called us. It is through Spiritual Warfare, that, in the end, God will judge the entire world, defeat the forces of evil in the bloodiest of all battles. *It is through this warfare that Satan and the Anti-Christ will be cast in the lake of fire for all eternity.*)

If you cannot, or will not, believe that this is your mission and that He will accomplish these things through you, then you are not yet His disciple. And you cannot know how and are unable TO EFFECTIVELY ENGAGE THE EVIL ENVELOPING OUR NATION AND THE WORLD IN SPIRITUAL WARFARE.

Engaging in the Spiritual War raging across America and the world, requires that *you know Jesus as your Lord* and knowing *what He requires of His disciples* (a.k.a., Christians). It is *the indwelling presence of God that enables you to understand what God is saying and to gain the wisdom and abilities to fight this war.*

Our relationship with God requires more than just knowing *about* Him. We must *know Him*, believe Him and we must follow Him, which requires our FAITH in ACTION.

Pastor and author Henry Blackaby points out, in his study “The 7 Realities For Experiencing God”, what we should know about God’s ways, His plans and His purposes. It illustrates how we can follow Him. :

- 1. God is always at work around you.**
- 2. God pursues a continuing love relationship with you that is real and personal.**
- 3. God invites you to become involved with Him in His work.**
- 4. God speaks by the Holy Spirit through the Bible, prayer, circumstances, and the church to reveal Himself, His purposes, and His ways.**
- 5. God’s invitation for you to work with Him always leads you to a crisis of belief that requires faith and action.**
- 6. You must make major adjustments in your life to join God in what He is doing.**
- 7. You come to know God by experience as you obey Him, and He accomplishes His work through you.**

I. JESUS’ MINISTRY IS OUR MINISTRY

Our relationship with Jesus is more than ‘Just Knowing’; it requires *Believing and Doing*. Jesus has

(a) The plan for us to follow,

(b) The purpose which becomes our purpose, and

(c) The ministry for us as His disciples.

For example, in **Matthew 10:2**, we are told that “*Jesus sent these twelve out after (a) instructing them (b) He gave them authority*

- *over unclean spirits, to cast them out, and to*
- *heal every kind of disease and every kind of sickness*
- *“And as you go, preach, saying, ‘The kingdom of heaven is at hand.’*
- *“Heal the sick,*
- *raise the dead,*
- *cleanse the lepers,*
- *cast out demons.*
- *Freely you received, freely give.*
- *“Do not acquire gold, or silver, or copper for your money belts, or a bag for your journey, or even two coats, or sandals, or a staff; for the worker is worthy of his support.*
- *“And whatever city or village you enter, inquire who is worthy in it, and stay at his house until you leave that city.*

“As you enter the house, give it your greeting. “If the house is worthy, give it your blessing of peace. But if it is not worthy, take back your blessing of peace.

- *“Whoever does not receive you, nor heed your words, as you go out of that house or that city, shake the dust off your feet. “Truly, I say to you, it will be more tolerable for the land of Sodom and Gomorrah in the day of judgment than for that city.*

*If you cannot, or will not, believe that this is your mission and that He will accomplish these things through you, then you are not yet His disciple. And if you are **not** His disciple, you cannot know how and are unable TO EFFECTIVELY ENGAGE THE EVIL ENVELOPING OUR NATION AND THE WORLD IN SPIRITUAL WARFARE.*

II. JESUS’ MISSION IS OUR MISSION

After Jesus’ death and resurrection and just before His ascension, He said:

Matthew 28:18 *And Jesus came up and spoke to them, saying, “All authority has been given to Me in heaven and on earth. “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.”*

So, Jesus was sent by His Father and was on The Mission of His Father. If you are a disciple of Jesus (His follower) this is your mission, and He will do this work through you.

If you cannot, or will not, believe that this is your mission and that He will accomplish these things through you, then you are not yet His disciple. And you cannot know how and are unable TO EFFECTIVELY ENGAGE THE EVIL ENVELOPING OUR NATION AND THE WORLD IN SPIRITUAL WARFARE.

III. JESUS' PURPOSE IS OUR PURPOSE

1 John 3:8 *"The one who practices sin is of the devil; for the devil has sinned from the beginning. The Son of God appeared for this purpose, **TO DESTROY THE WORKS OF THE DEVIL.**"*

These are the WORKS of the devil, *the thief comes only to STEAL and KILL and DESTROY (John 10:10)*

The devil is the accuser, a liar, a thief, a murderer, the author of disease, pain, despair, loss, lack, fear, hopelessness and the like.

IV. JESUS' METHOD IS OUR METHOD

Revelation 12:11 *"And they overcame him (the devil) **because of the blood of the Lamb** and because of the word (logos) of their testimony (Maturia -> Martus), and they did not love their life even when faced with death."*

Here is how Jesus destroyed the works of the devil. And, how He will continue to destroy the works of the devil, through His yielded and obedient disciple:

- Condemns a Fig Tree Matthew 21:17-22
- Feeds More than Four-Thousand People Matthew 15:32-39
- Stills the Storm
- The Catch of Fish
- The Second Catch of Fish
- The Temple Tax Money Obtained from a Fish's Mouth
- Walks Upon Lake Galilee
- Water Converted Into Wine
- Cleanses the Leper
- Cures a Man With Dropsy
- Cures the Woman With the Issue of Blood
- Healing of the Immobile Man
- Heals a Demoniac
- Heals Peter's Mother-In-Law
- Heals the Daughter of the Non-Jewish, Syro-Phoenician Woman
- Heals the Demoniac
- Heals the Ear of Malchus
- Heals the Epileptic Boy
- Heals the Nobleman's Son
- Heals the Paralyzed Man

- Heals the Woman With the Spirit of Infirmary
- Opens the Eyes of a Man Born Blind
- Restores a Blind Man
- Restores Sight to Two Blind Men Near Jericho
- Restores the Centurion's Servant
- Restores the Deaf-Mute Man
- Restores Two Blind Men to Sight
- Restoring the Withered Hand
- Throws Demons out of Two Men of Gadara (Gerasa)
- DEFEATED DEATH
- Raises Lazarus from the Dead
- Raises the Daughter of Jairus from the Dead
- Raises the Widow's Son to Life at the Village of Nain
- "Miracles in the Name of Christ"

If you cannot, or will not, believe that this is your mission and that He will accomplish these things through you, then you are not yet His disciple. And you cannot know how and are unable TO EFFECTIVELY ENGAGE THE EVIL ENVELOPING OUR NATION AND THE WORLD IN SPIRITUAL WARFARE.

V. OUR THREE-FOLD RESPONSE & OUR MISSION

*1. **Philippians 2:5** Have this attitude in yourselves, which was also in Christ Jesus,*

2. *John 14:12* *“Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father.*

3. *Matthew 28:18* *And Jesus came up and spoke to them, saying, “All authority has been given to Me in heaven and on earth. “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.*

When you ‘hear His Voice’, submit yourself to Him, obey and spring into action!

AMERICA UNDER SIEGE

"Fighting Back"

NOTE: If you are a Conservative or a Christian in America, every issue that runs counter to your **mores** or is in conflict with our existing laws, traditional social norms, our Constitution and our Christian faith,

including plain decency, can be attributed to the Democrat Party or any Leftists activist organization's drive to *divide our nation in order to complete their implementation of the One World Marxist Government.*

When we try to extinguish each and every political, social or religious 'brush fire issue' ignited by the opposition, it only serves to distract us from fighting **the Beast** orchestrating this evil, and cutting off his head.

Please take a minute and go back a few years in time with me, before the COVID-19 pandemic. The Democrat party in America and many Republican co-conspirators, have been working for the past 75 years to complete *and implement Socialist-Marxists ideologies and practices into the fabric of our nation* at the federal, state and local governments levels though our legal systems, our primary, secondary and university level educational systems, the media, our health care systems, our religious institutions and more.

Then, in November 2019, a mysterious virus began infecting people in Wuhan, China. Investigations and subsequent reports show this virus had most likely **escaped from a virology research lab in the same city.**

Coincidental? Most experts think not. China, the clear leader in promoting and implementing communism around the world, using any and all means necessary.

Furthermore, China has been uncooperative in revealing any information about this virus, how it escaped the lab, why they were doing such biological testing and has refused help in containing the virus. The COVID disease quickly spread around the globe. One has to wonder if this was a planned event.

The Biden administration refuses to hold China accountable and, in fact, is working with China to find new alliances, potentially giving up strategic U.S. advantages.

Several high ranking Democrat members of Congress ([Rahm Emanuel](#), former Obama advisor; Nancy Pelosi, Maxine Waters, Chuck Schumer and House majority leader, Eric Cantor and sitting president Joe Biden), have brazenly used the pandemic as an opportunity to pass legislative spending bills and executive orders which are in clear violations of the constitution and existing laws.

Thus began, the politicization of the COVID-19 pandemic using questionable, if not illegal, methods unrelated to any emergency or crisis at hand. Democrats in Congress are now regularly using crises or national emergencies to manipulate public opinion and as [*opportunity to foment unrest and violence*](#) to reach their **globalist agenda**. They, like Rahm Emanuel, seem to be saying, “Never let a good crisis go to waste” when it comes to promoting Socialist-Marxism in America and around the world.

FIGHTING BACK

There are an increasing number of grassroots movements fighting back politically. There are some state and local governments passing legislation to fight Agenda-21's Marxist attack on our Nation and her sovereignty. As good as this sounds, they are still just fighting "political brush fires".

Our goal is to resist and counter-attack the [*Beast*](#) by joining God in Spiritual Warfare!

Satan, also known as the serpent, the devil and the dragon are one-and-the-same, and he is behind all the evil which has ever been on this earth.

The New Testament book of **1 John 4:3** tells us, *"every spirit that does not confess Jesus is not from God; this is the spirit of the antichrist, of which you have heard that it is coming, and now it is already in the world."*

If you don't know by now, let me assure you that Marxism, in all its various forms, ([*Socialism, Leninism, Communism, etc.*](#)) is a manifestation of the works of the Beast.

[*Chapter 13 of the book of The Revelation*](#), John introduces and describes in great detail ***two beasts: one beast coming up out of the sea and one beast coming up out of the earth.***

Maybe you have asked, ‘what are the **two beasts** in Revelation chapter 13’. The short answer is they represent **the Antichrist** and **the False Prophet**. These two, empowered by Satan, set out with a mission to deceive many during the Great Tribulation. Let’s consider the roles these two will play in End Times prophecy and our preparation and methods to fight back!

HOW TO GET READY

I have been studying eschatology and the End of Days in particular, for the last fourteen years. I have wondered if the conclusions I was making were Biblical and accurate. But the things I concluded and taught, are coming true before our eyes. ***Today, some prominent and mainline preachers are revising their End of Days views and are coming to the same conclusions as I.***

I have written extensively about “*What it Means to Get Ready*” and “*How to Get Ready*”, but to keep this brief, I am attaching a PowerPoint presentation with the Bible's conclusions. Just click on the image to go to the presentation. *The last page of the presentation will summarize “what it means to be ready”.*

Matthew 24:32 tells us, *"For this reason you also must be ready; for the Son of Man is coming at an hour when you do not think He will. Who then is the faithful and sensible slave whom his master put in charge of his household to give them their food at the proper time?"*

Again, please pay particular attention to the last page of this PowerPoint presentation. Much of what it proposes must be done and can be done through your local Church. But, should the day come - and I believe it is close at hand - when the Church will be forced underground, we must still come together and accomplish His Work.

We have equal vested interest. We are the Body of Christ

- [Prepare the Storehouse for the Saints](#)
- Come Together in Community
- Make Disciples
- Find and connect with Christians
- Plan and coordinate with families
- Organize “readiness” training classes, and more...

HOW TO FIGHT BACK

First, we must know, that although we may be engaged in the battle, it is God Who does the fighting, giving us the victory, and it is He, Who decides the outcome.

We may be called to a variety of task, such as leading someone to Jesus, calling out and rebuking evil wherever it is found, giving sound Biblical counsel, laying healing hands on the sick and infirm, taking care of widows, orphans, the destitute or a myriad of other things God may put in our way.

Scriptures tell us that although God is protecting us and fighting for us, some of us will give our life in service to Him. **Revelation 12:11** tells us, *"And they overcame the devil because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death."*

There are dozens and dozens of verses that give us assurances. Here are just three.

Deuteronomy 1:30 tells us, *“The LORD your God, Who goes before you, will Himself fight for you, just as He did for you in Egypt before your eyes.”*

Psalms 20:6-8, says, *“Now I know that the Lord saves his anointed; he will answer him from his holy heaven with the saving might of his right hand. Some trust in chariots and some in horses, but we trust in the name of the Lord our God. They collapse and fall, but we rise and stand upright.”*

Joshua 1:5-6, tells us, *“No man shall be able to stand before you all the days of your life. Just as I was with Moses, so I will be with you. I will not leave you or forsake you. Be strong and courageous, for you shall cause this people to inherit the land that I swore to their fathers to give them.”*

Again, for brevity, here is a sermon and message from [Pastor Trent Casto of Covenant Naples Church, Naples, Florida](#), from the book of Deuteronomy on the subject of “THE PROBLEMS OR THE PROMISES?” Although this sermon is not about eschatology, it gives us the answer to **HOW TO FIGHT BACK.**

<https://youtu.be/3fVMvFNX3uo>

Jesus has told us what is coming. And, in [Matthew 24:9-13](#), He warns, *“Then they will deliver you to tribulation, and will kill you, and you will be*

hated by all nations because of My name. At that time, many will fall away and will betray one another and hate one another. Many false prophets will arise and will mislead many. "Because lawlessness is increased, most people's love will grow cold. "But the one who endures to the end, he will be saved."

We will fight and overcome the enemy ['because of the blood of the Lamb and because of the word of our testimony'](#). You and I must prepare through study, diligence and steadfastness in prayer.

Your Brother and Friend,

Mike Young

“Here, kitty, kitty” – a Grassroots Response.

I was watching a video of a fellow trying to lure a lion cub, abandoned by its mother, into a container, so he could perhaps adopt it. This man would lay morsels of food leading to the cage. The hungry cub would eat one

morsel after another, but upon reaching the door of the cage would turn and run away.

The man's attempt to capture the cub, apparently, went on for several weeks, until finally the lion cub entered cage. The door was shut and thus began a process of 'taming the cat' so they could be friends.

The cub grew into an adolescent lion. But, his captor-foster parent, had plans to tame and transform this lion into a house pet so he could make certain the cat could be well cared for. He had a plan.

Things were going according to plan. This young lion was never allowed out on his own and never allowed to go near the wild from which she came - lest she might remember and return to who and what she was.

She had been able to adapt to her captivity and to obey commands of her owner, until one day, while walking his "pet" on a leash, she suddenly turned on him, killing him, regaining her freedom.

Some animals, such as elephants and even some felines adapt to captivity. They live in zoos or the property of a circus, but they never seem to show the same vitality and longevity as those in the wild. They just grow old, lethargic and die.

This reminds me of America. Our early history was of a vibrant people who were willing to take risks in order to find a life with liberty, in their pursuit of happiness. They were taking full advantage of the pledge of our declaration of independence. Many would endure hardships and trials, and, in many ways, they were wild and unrestrained – except by the choices they made. The result of this pioneer and free enterprise spirit, was that America grew to be the richest, kindest, most generous and most powerful nation the world had ever seen.

Then came the captors, dropping morsels of food and goodies, leading to the cage.

The year was around 1930. The timing was perfect. People were suffering at the height of the Great Depression. A limited form of the Social Security program began as a measure to implement "social insurance" during the Great Depression of the 1930s, when poverty rates among senior citizens exceeded 50 percent.

The Social Security Act was enacted August 14, 1935. The Act was drafted during President Franklin D. Roosevelt's first term by the President's Committee on Economic Security, under Frances Perkins, and passed by Congress as part of the New Deal. The Act was an attempt to limit what were seen as dangers in the modern American life, including old age, poverty, unemployment, and the burdens of widows and fatherless children. By signing this Act on August 14, 1935, President Roosevelt became the first president to advocate federal assistance for the elderly.

The Act provided benefits to retirees and the unemployed, and a lump-sum benefit at death. Payments to current retirees are financed by a payroll tax on current workers' wages, half directly as a payroll tax and half paid by the employer (self-employed people are responsible for the entire payroll tax). The act also gave money to states to provide assistance to aged individuals (Title I), for unemployment insurance (Title III), Aid to Families with Dependent Children (Title IV), Maternal and Child Welfare (Title V), public health services (Title VI), and the blind (Title X).

Then, slowly but surely, the Beast grew and gained strength.

Then on August 10, 1939 the program broadened to include benefits for workers' dependents and survivors.

January 31, 1940: Ida M. Fuller became the first person to receive a monthly benefit. Her first check was for \$22.54, the inflation-adjusted equivalent of \$420.15 today. Fuller lived to the age of 100.

October 1950: Congress authorized the first cost-of-living adjustment (COLA), an increase of 77 percent.

August 1, 1956: Social Security Act amended to provide benefits to disabled workers ages 50-64 and disabled adult children.

September 1960: President Eisenhower signed a law amending the disability rules to permit payment of benefits to disabled workers of any age and to their dependents.

June 30, 1961: All workers now allowed to take early retirement at age 62, albeit at a reduced Social Security benefit.

July 1975: First annual automatic COLA, an 8 percent increase, was paid. Before 1975, each COLA required authorization by Congress.

July 1980: Beneficiaries received the highest annual COLA increase ever — 14.3 percent. The inflation rate in 1980 was 12.5 percent.

April 20, 1983: Comprehensive changes to Social Security, based on recommendations of the National Commission on Social Security Reform (also known as the “Greenspan Commission”) were signed into law, making sweeping changes to shore up the program's shaky financial footing. The changes included raising payroll taxes and raising Normal Retirement Age (NRA).

October 1, 1988: A nationwide toll-free number was implemented for people to contact the Social Security Administration (SSA).

May 17, 1994: The SSA official website was launched.

October 1, 1999: The annual mailings of Social Security Statements began. About 125 million statements, showing workers' earnings and projected benefits, were sent to all workers ages 25 and older.

April 7, 2000: The Senior Citizens' Freedom to Work Act of 2000 was signed into law, eliminating the Retirement Earnings Test (RET) for those beneficiaries at or above NRA. (The RET still applies to those beneficiaries below NRA.) The RET was an original feature of the Social Security Act.

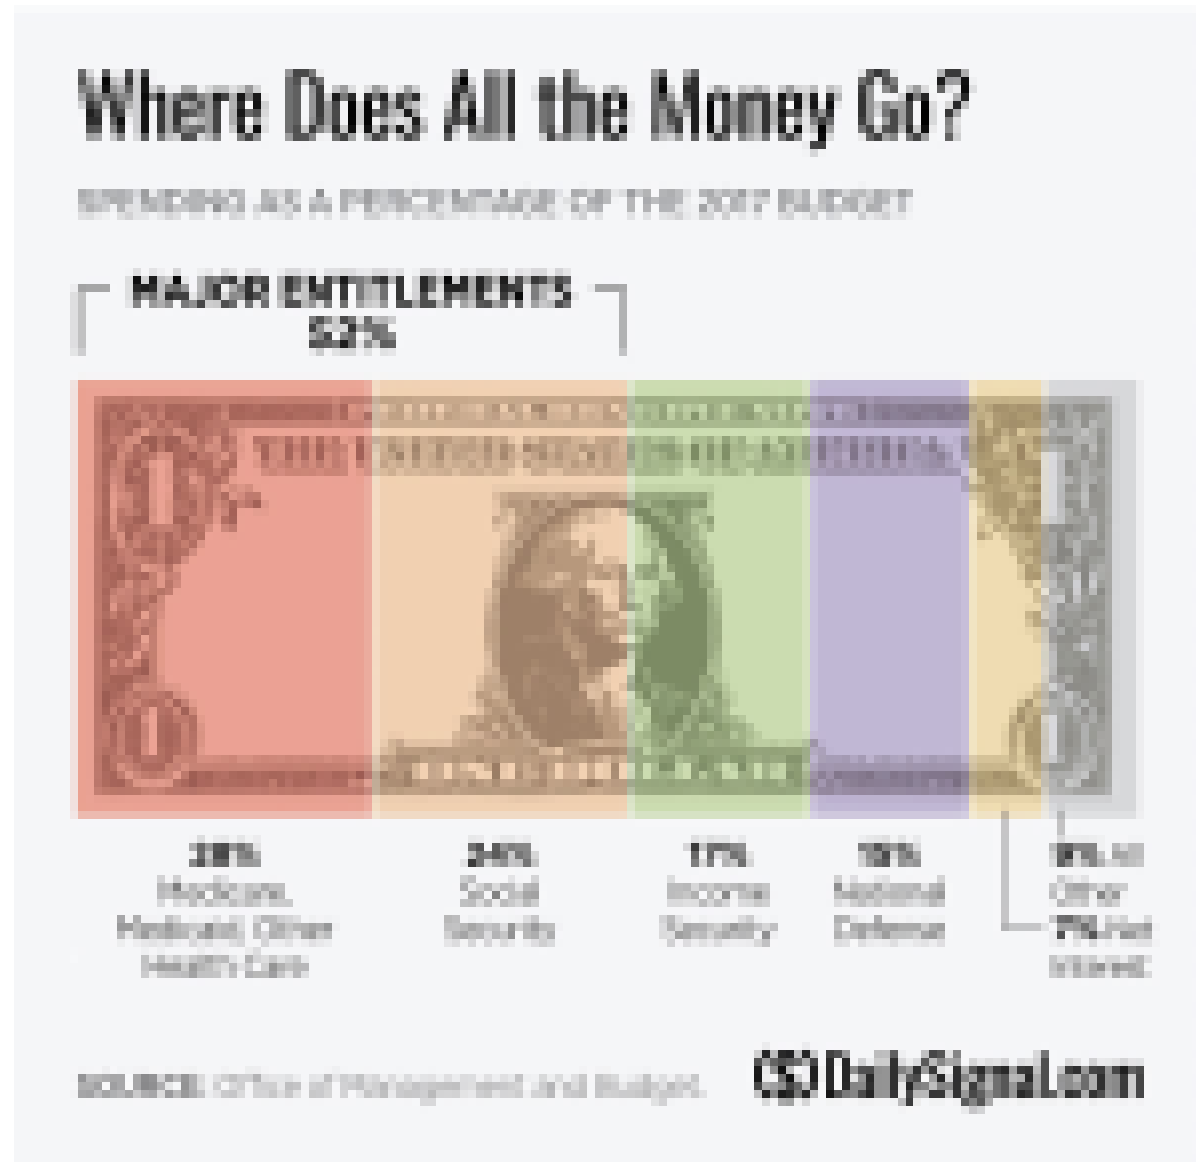

February 12, 2008: Kathleen Casey-Kirschling, the first boomer to apply for Social Security retirement benefits, received her first monthly benefit payment.

May 1, 2012: The Social Security Statement became available online after most paper statements stopped being mailed out in 2011. Today, paper statements are mailed only to workers 60 and over who are not yet collecting benefits and who have not set up an online My Social Security account.

March 17, 2020: Social Security field offices shut down because of the COVID-19 pandemic. Most services continued to be offered online or by telephone, rather than in person.

April 22, 2020: The annual report from the Social Security trustees projected the combined trust funds would be exhausted in 2035, after which only just over three quarters of benefits could be paid.

*September 17, 2021: **SOCIALISM**, is hiding in the United States, in plain sight. Take a look at the U.S. Budget and where the money goes.*

Today, sixty-nine percent of the U.S., budget goes to some form of Socialist program such as Medicare, Medicaid, social security and income security. Let that sink in: [69 PERCENT of our budget - your money, confiscated through taxation.](#)

Here's where the fraud begins: Like all things Socialist-Marxist-Communist, they are a fraud, a lie hiding behind false promises.

Social Security has a trust fund, and that trust fund is supposed to have \$2.6 trillion in it, according to the [*Social Security trustees*](#).

Social Security benefits are entirely self-financing. They are paid for with payroll taxes collected from workers and their employers throughout their careers. These taxes are placed in a trust fund dedicated to paying benefits owed to current and future beneficiaries. The democratic-controlled government has told us that even though Social Security began collecting less in taxes than it paid in benefits in 2010, the trust fund will continue to accrue interest and grow until 2025, and will have adequate resources to pay full benefits for the next 26 years. (as reported by President Obama's budget director, Jack Lew, in February 2011, in [*USA Today*](#).)

The problem in 2021 is that our captors toppled the U.S. system of government "Of a people and by the people", confiscated our wealth, perverted our system of justice and has polluted our sense of morality - and the [*Socialist-Marxist federal government fully emerged*](#).

In the grandest of all acts of fraud, thievery and evil, the Marxists in our U.S. Congress 'borrowed' ***all of that trust fund money and spent it***. And the only way the trust fund can get some cash to pay Social Security

benefits is if the federal government draws it from general revenues or borrows the money—which, of course, it can't do because of the debt ceiling. The result being, we are completely and entirely dependent on the government to supply our needs – we are in the cage.

Another glaring example is **Nancy Pelosi, a democratic leader** of the House of Representatives, **the speaker of the House**, and a **Socialist-Marxist democrat**. She has said, *"the disparity in our country of income, where the wealthy people continue to get wealthier and some other people are falling out of the middle class when we want to bring many more people into the middle class. But that disparity is not just about wages alone. That disparity is about ownership and equity. It's all about fairness in our country."* (see the video here [Pelosi on Capitalism](#), or see the [transcript, here](#).)

The hypocrisy and the lies are hidden in the details, yet in plain sight: Pelosi, Democratic party member makes an annual salary of around **\$223,500** as of the Speaker of the House of Representatives. It's been around two years since she took on the role, and her bank balance has just been on the rise since then. As of 2021, Nancy Pelosi's net worth is estimated to be roughly \$120 million.

The median household income in the US for the 'average American' in 2019 was \$68,703. According to Pew Research, **middle-class households are those with an annual income** in 2018, ranged **between \$48,500 and \$145,500**. In another research of 2019, the income range for a middle-

class household of three was between \$53,413 and \$106,827. And, Pelosi makes at least twice that amount off your back – the taxpayer.

The net worth of the American middle class is between \$29,760 and \$191,900. Nancy Pelosi's salary exceeds \$223,000 and her net worth exceeds \$120,000,000 – made off the backs of middle-class America! Yet she has the [*temerity*](#) to denigrate Capitalism and the American Way and to say that the middle class is being treated unfairly. She advocates Communist economics and policies, "each according to his need", which throughout its history has always lead to poverty, lack, resentment and death!

So, where do we go from here? Nowhere. That's where we are going, nowhere – unless "We the People", act, now!

It is time to break out of our cages and to turn on our keepers!

The Communist manifesto claims that *"Socialism is just a necessary step to Communism and then must be done away with"*. "Nowhere" is a place, it is a state of being and it is defined as Communist-Marxism. *It is the same ideology which murdered over two hundred fifty-nine millions (259,000,000) people worldwide since 1900.*

Socialists and communists say Globalism is the key to worldwide prosperity. But the truth is that Globalists are Marxists and they know

Global Marxism is the key to controlling people under the dictatorial rule of godless communism.

“The task before UNESCO,” said its first Director-General Julian Huxley in 1946, is “the emergence of a single world culture by transferring full sovereignty from separate nations to a world organization.”

The “new world order” will be a socialist, authoritarian global government and court with “global rule of law” and a “one-world economy,” according to [*the Commission for Global Governance*](#). When implemented, the New World Order will bring all the people of the world into a global neighborhood managed by a world-wide bureaucracy, under the direct authority of a minute handful of appointed individuals, and policed by thousands of individuals, paid by accredited NGOs, certified to support a belief system which contains ideas that are foreign to the American experience, and ignores other values and ideas that are precious to the American experience.

Both, our federal and state governments have been compromised. [*As of this date, August 31, 2021, these Globalists, have been embedded*](#) in our government, in our legal system at every level, in our religious systems, in our churches, in our school, colleges and institutions of higher education. [*Over 528 American cities are members of “Local Governments for Sustainability”*](#), which is the Agenda 21 program at the local level. Also known as [*“ICLEI”*](#), an international Marxist and Socialist leaning

sustainability organization, that helps to implement the Agenda 21 and Local Agenda 21 concepts across the world. The United States has nearly half of the [ICLEI](#)'s global membership of 1,200 cities promoting sustainable development at a local level. (Former presidents, Bill Clinton and George Bush, were responsible for promoting and implementing these Marxists programs in America.)

We have lost this war for the hearts, minds, souls and the sovereignty of the once great United States of America. The coup d'état is complete. We, as a nation, have been swallowed by the Socialist Beast. We are now a nation practicing Socialism and controlled by Socialist-Marxists. But this is only the beginning.

The ultimate aim of this Global Marxist Movement can be found, amazingly, in documents that date back over 2,800 years – in the Bible.

Now, at the time of this writing, September 17, 2021. there is a convergence and concurrence of global events, as never been seen before, in alignment with Bible prophecy. ["The branch of the olive tree has become tender and is putting forth its leaves, so, you know that summer is near; so, too, when you see all these things, recognize that Jesus is near, right at the door!"](#)

SO, WHAT'S WRONG WITH SOCIAL SECURITY AND SOCIALISM?

It is a method of despotic control. The Church – that is all Christians – is / are tasked with the responsibilities of caring for one another, the less capable, widows and orphans. All this has taken over by a secular anti-

Christian government because the Church - Christians - have failed to continue the works of Christ, Jesus.

THE DECLARATION OF INDEPENDENCE

There is a saying, a proverb, in the book of [Ecclesiastes 4:9-12](#), which goes like this:

“Two are better than one because they have a good return for their labor. For if either of them falls, the one will lift up his companion. But woe to the one who falls when there is not another to lift him up.

“Furthermore, if two lie down together they keep warm, but how can one be warm alone?

“And if one can overpower him who is alone, two can resist him. A cord of three strands is not quickly torn apart.”

TYRANNY, MARXISM, ONE WORLD GOVERNMENT

The ancient wisdom of Ecclesiastes 4:9-12 is as true today as when it was written, and is becoming increasingly necessary if we are to resist the evil and darkness of Marxism spreading across the world, we must unite.

We have read the news stories, during the Obama administration, when factions of the FBI rounded up what they called “insurgency groups” or “white extremist groups”, arrested and charged them for sedition or as terrorist cells. These so-called ‘dangerous’ groups were usually men in their advanced years who, while drinking coffee at a local coffee shop, were overheard griping about government overreach and what they wish could be done about it. Obama’s ‘brown shirt Socialists’ were creating political a shock wave, creating fear and paranoia, silencing any dissent and free speech and sending a message to the masses: “Comply with our [agenda](#) or pay the consequences”.

Then there was the ‘weaponizing of the IRS’ and of other government agencies to intimidate and deprive conservative and Christian groups and individuals of their rights. Again, a clear message that we, Socialists and Marxists (under the guise of the American Democrat Party), will not tolerate dissent. (**NOTE:** Coincidentally, the Biden Marxist-Democrat party’s \$3.5 trillion spending plan, contains a provision to spend \$80 BILLION of your tax dollars to hire 87,000 new IRS agents to come after your money.)

How are they getting away with this blatantly un-American and illegal activity? *They pick us off, one by one.* We are not united, we are not organized, and our elected ‘conservative leadership’ is, by their actions, either ineffective, bumbling fools or are complicit with the Socialist-Marxist-Globalists.

WHAT ARE WE TO DO?

We thought the Tea Party movement which was formed 2008 was going to be our ‘grassroots’ answer to the spreading virus of Socialism. The Tea Party began inside the Republican Party and, tragically, was quickly absorbed by Republican Machinery. Many of the Tea Party leaders became intoxicated with political aspirations and joined the duplicity of the Republican Party, becoming an ineffective, squabbling herd of wannabes.

A quick footnote to mention that Donald Trump was an effective leader, a conservative and a friend of Israel, of Christians and of all Conservatives. Both political parties and the corrupt FBI turned on him with vicious lies, attacks on his personal businesses and family with outrageous and illegal political deceit. The welfare of America was jeopardized by the corruption which emerged in our legal and political systems, all designed to destroy Donald Trump and his presidency.

This has a chilling effect for anyone who might consider a run for president as a conservative, unless he or she is a *Marxist collaborator, the likes of George Bush, Mitt Romney or John McCain*.

IS ANYONE OUT THERE?

There are scores of political action groups you can join. But they are being largely ineffective. Their plan is to win at the ballot box, but we have seen that process thoroughly compromised and corrupted in the last presidential election – and no one was charged with a crime. So, why bother with PACs?

You can find “Patriot Groups” and “Conservative Militia Groups”, but from what I can tell, they are mostly just bluster.

There are many conservative broadcasters using non-traditional means (internet, podcasts, etc.) to get their message out and to influence, but it is mostly just talk.

ONE LAST NOTE

There was one recent event when hundreds of thousands of Conservatives and American Patriots 'stormed the halls of congress'. The problem was that the LEFT knew it was about to happen and left the gates open, then co-opted a peaceful demonstration, calling it "a sad and tragic time in our democracy". They had seeded the demonstration with Democrat-Marxist infiltrators who caused troubles, casting a bad light on an otherwise good intention. Still, a message was sent. A shot had been fired across the bow of the invading Marxist hoards who have illegally taken up residence in our nation's highest offices. This demonstration seemed to get their attention and put them on notice as to what we could do, if Conservatives acted with a united and single purpose.

"Two are better than one because they have a good return for their labor. For if either of them falls, the one will lift up his companion. But woe to the one who falls when there is not another to lift him up.

Furthermore, if two lie down together they keep warm, but how can one be warm alone?

And if one can overpower him who is alone, two can resist him. A cord of three strands is not quickly torn apart."

Now is the time to step forward and unite in action, as Conservatives. But there is no leadership. I recognize that I am a lone and unqualified voice,

calling out in the wilderness, “Who will lead us?” But, if we do not act quickly, decisively and with iron clad resolve, we are finished as a Constitutional Republic. In fact, it may already be too late.

Please help. Write a letter to your [*Congressional Representative*](#) and your State Representatives. Ask for help to defeat the LEFT with definitive action.

“Dear ___(Senator or Congressman or Congresswoman)_____,

I am writing you out of great concern for the future of our Nation. It seems to me that the Democrat party and their supporters are increasingly made up of people who endorse the agenda of Globalists, Marxists, Socialists and Communists, are dissolving our sovereignty, erasing our borders, violating and voiding our constitution, breaking our laws, raiding our treasury, promoting burdensome and onerous taxation and corrupting our society with debauchery and perversions which were unthinkable only a few decades ago. We are losing our freedoms and may have already lost our country and our way of life.

The political system and the ballot box, in our last national election, proved to be ineffective against the corruption, the tyranny and deceit of the LEFT.

We need strong, decisive leadership to fight back against this spreading virus of Marxism. We need men and women who, like our founders, are

willing to say, “*And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.*” (From the Declaration of Independence – *click the blue text*)

I am confident that here are hundreds of millions of American who will act in concert with a call to action by Conservative Leadership in our cause to save America. I am one of those.

Respectfully,

(Your Name, address and State and District)

Next, please, pray for our Nation and your efforts. Appeal to local Christian leaders, to local businessmen and businesswomen, and anyone else you think is willing to help lead this fight.

A COSMIC STORM IS COMING

<https://open.spotify.com/episode/6UF2oy6rFNDSUMC5U7Q1YY>

Be ready for what is at hand, because we are expected to *[endure to the end](#)* of our appointed time, then God will intervene and take us home.

Where Do We Go From Here?

I have admired and listened to Dr. David Jeremiah for 35 years. Over the last 14 years, however, I have not agreed with his view of Bible eschatology. I listened to a recent message by Dr. Jeremiah, on his website, title, “Where do we go from here?” In that message he gave 3 points on HOW we are to respond to the troubles in these Last Days:

#1. Worship the Glorified Christ – the more you worship, the less you worry

#2. Embrace your Global Mission – We have a mission that is global. Take the Gospel to the entire globe.

#3. Anticipate your glorious Hope – Never fear. He is coming back to establish His eternal Kingdom.

(Oh. And, yes. #4. Buy his books.)

So, this is the answer of “Where we go from here”?

(1) We stare skyward, worship, embrace evangelism and anticipate Jesus’ return. *Let’s get honest, here.*

(2) We sit in church. *We do that pretty well.*

(3) We worship. *We do that OK, probably once or twice a week for about 15 minutes each time.*

(4) We evangelize the world. *We are not doing too good at that one. We actually ‘give, because we can’t or won’t GO’. We tend to stay separate from the world and leave this one up to the ‘professionals’.*

(5) *We are really good at anticipating Jesus’ return, because most Christians just ‘stare skyward’, but, honestly, we do very little more than that.*

So, I guess what Dr. Jeremiah is saying is nothing new for the 20th and 21st centuries. But he is not alone in this type of teaching and assessment. (Could this may be reason the church and church attendance is in decline?)

I get the feeling that most 'religious leaders' are concerned, but really don't know what to do beyond what they have listed (and, for certain, those are good things.

LET'S BE CLEAR: Jesus has sent us on His Mission. And, God has never, ever, been gentle to those who shirk or draw back from the Mission. Even Jesus says, “Why do you call me Lord, when you do not do the things I have told you? I never knew you. Depart from me, you who work lawlessness.”

Somehow, most preachers think the ‘End Times’ (more correctly, Last Days), will NOT intensify until the Church is raptured off the earth.

BUT LET ME BE CLEAR - BECAUSE THE BIBLE IS ABUNDANTLY CLEAR - there will be an intensifying **BEFORE** the “rapture”. *And, you must be ready or you will pay a high price.*

(Please note: The following Bible verses on this matter **are in red text** , and my commentaries are in *parentheses* and are color coded **blue**)

Matthew 24:4 says, “And Jesus answered them, “**See that no one leads you astray.**

(this includes misinformed pastors, preachers, bible teachers)

Verse 5. **"For many will come in my name, saying, 'I am the Christ, and they will lead many astray.**

(1) this can be someone literally saying 'I am the Christ', (2) but, it is more likely it will be someone who considers themselves as an emissary of Christ – such as 'ordained pastors' – who speak for Christ, but are blindly following denominational doctrine which are incorrect; or, (3) as we are clearly seeing, now, in our day, it is 'institutional deception', where entire denominations fall away from the clear teachings of Jesus and lead millions astray.

Verse 6. **And you will hear of wars and rumors of wars. See that you are not alarmed, for this must take place, but the end is not yet. Verse 7. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places.**

There have been wars and rumors of wars, famines and earthquakes since recorded history. So, concerning the 'End Times', which wars and rumors of wars, famines and earthquakes should we refer to? These things must occur in conjunction with ALL THE SIGNS and WARNING from Jesus and the Bible.

And, don't miss the little phrase, "but the end is not yet", as verse eight will elaborate.

Verse 8. All these are but the beginning of the birth pains.

*The phrase "the beginning of birth pangs" is a statement made by Jesus in or around the year AD 30 and is a translation of the Greek *archē ōdin* (ἀρχὴ ὠδίν). The meaning of the phrase, translated in the KJV as "the beginning of sorrows" is a direct reference to preliminary birth pangs that ultimately lead to the full-scale contractions and travail, which leads to the actual birth.*

*Recognizing the Old Testament reference that Jesus was hearkening to is an essential, but often overlooked key to determining the **timing of the prophecy**. Jesus was pointing his disciples to two key passages from the prophet Isaiah.*

*The first passage is **Isaiah 26**, a portion of Scripture found in the middle of what is sometimes referred to as "Isaiah's little apocalypse". There, the Lord speaks through Isaiah, specifically contrasting the expectations of the Jewish people regarding deliverance, redemption and physical resurrection with the reality of the pain, suffering and travail that they had corporately experienced. In verses 16–18, the complaint of Israel is raised that despite having endured the great suffering of labor, the expected "birth" of deliverance, redemption and resurrection had not arrived (the preceding three paragraphs were [taken from the "Daniel Training Network"](#).)*

This makes clear that the Last Days and the opening of the tribulation Seals began in our around AD 30. Other references which confirm this date are...

[Hebrews 1:2,](#)

[Hebrews 9:26,](#)

[Acts 2:14-17,](#)

[2 Timothy 3:1,](#)

[1 Peter 1:20,](#)

[1 Peter 4:7,](#)

[2 Peter 3:3.](#)

...spoken by Jesus and the Apostles Paul, Peter and Timothy.

Verse 9. “Then they will deliver you up to tribulation and put you to death, and you will be hated by all nations for my name’s sake.

*This is so clear and in such plain language, I regret having to point it out: “Then they will **deliver you up to tribulation and put you to death**”. So, “YOU WILL BE DELIVERED UP TO TRIBULATION”. How much more intense can this be, than being put to death for Jesus name’s sake? The tribulation, Seals 1 through 4 have been described as having started, by Jesus, Himself, in the year A.D. 30.*

Verse 10. And then many will fall away and betray one another and hate one another.

*First – This is the hallmark of the Great Apostasy, found in these verses and 2 Thessalonians 2:1-4. Furthermore, “And then” translates from the Greek word, “tote”, in this case means of the future, also in **consecution**, i.e., the act of*

following, or the condition of being in a series; that which is consecutive; succession; sequence.

*Secondly - “fall away” is the Greek word ‘skandalizó’ and means to entrap, i.e., trip up (figuratively, stumble) or entice to sin, **apostasy** or displeasure.*

This is further explained in the following verses and can also be found in 2 Thessalonians 2:1-4. For more detail see “Has the Great Apostasy begun?”.

Verses **11-14**. And many false prophets will arise and lead many astray. And because lawlessness will be increased, the love of many will grow cold. But the one who endures to the end will be saved. And this gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and **then the end will come.**"

*Verses 11 through 14 give us a major time line identifier through a **concurrency of events**: (1) many false prophets will arise and lead many astray; (2) lawlessness will be increased; (3) the love of many will grow cold.*

***“The one who endures to the end”,** must be kept in context of the surrounding verses. So, the one who endures to the end of these events - Which Events? - The tribulation seals ONE through FIVE.*

***“And then the end will come”.** Once again, this is clear, plain, face-value language. After these first FIVE TRIBULATION SEALS, which began in or*

around AD 30, and have continued progressively to overlap and gain in intensity, THE END WILL COME.

Matthew 24:29, says, “Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light

Perhaps it would be a good idea to read this verse again. It begins with “IMMEDIATELY AFTER the tribulation of those days”. This is rich with information.

The tribulation of THOSE DAYS are the days from AD 30 through the current date; tribulation Seals ONE through FIVE.

“Immediately after the tribulation of those days”, should explain itself. But, just in case, let me say, “THOSE DAYS” refers to the days already discussed (tribulation Seals One through Five). Now, Jesus is moving our attention to what follows the first 5 Seals of the tribulation: [THE SIXTH SEAL](#).)

“the sun will be darkened, and the moon will not give its light” is also found in [Revelation 6:12-16](#), and uses the exact language. It is the [SIXTH SEAL](#) of the tribulation, which is yet a FUTURE EVENT.

NOTE: ANYONE WHO SUGGESTS OR SAYS THESE VERSES ARE SIMPLY METAPHORICAL WILL NOT PLAY OUT AS DESCRIBED, ARE FALSE PROPHETS, FALSE TEACHERS AND ARE AIDING THE SPIRIT OF THE ANTICHRIST. (Other places in Revelation, you will find metaphors,

allegories, imagery and similes to describe what was indescribable, such as, "The Lamb of God" to describe Jesus, "The Dragon" to describe Satan, or "The Four Beasts" to describe Satan, Babylon and Lucifer. The reader must learn to distinguish the difference.)

Many protestant pastors, preachers and Bible teachers adhere firmly to the [John Nelson Darby](#) version of the pre-tribulation rapture. These people with good intentions and most are good men and women, yet, they are sorely misinformed; or, perhaps, some are lazy in their study of scriptures or they could be ignorant about what scriptures say and mean. None-the-less, they are guilty of false teaching and of teaching a false prophecy.

What I have described known as the [Pre-Tribulation, Pre-Wrath Rapture](#) of the Church. Here is a link and several videos and teachings explaining the [Pre-Tribulation Pre-Wrath Rapture of the Church](#).

Listen, friends. Things are getting worse, even as I write this, and, things are going to get a lot worse as the time of the Rapture (The 6th Tribulation Seal) draws near. You and I need to prepare, both Spiritually and physically, for these difficult times.

I have presented the Spiritual side of the coming day of the Great Tribulation and of the coming day of God's Wrath in this article.

*Please go to these links, "**New World Order**", also, "[Agenda-21, Cover of the U.N., One World Government](#)", and find the **physical and earthly***

manifestation of this cosmic battle and of the spirit of anti-Christ, which is already at work.

The Bible tells us to be ready, for we do not know the day nor the hour when the Lord will return, and if you did know, you would be on the alert, “and would not have allowed your house to be broken into”. For the Son of Man is coming at an hour when you do not think He will.

*In conclusion, let me ask you, if you knew a hurricane or a major destructive storm was coming, **what would you do to get ready?** (Please answer this. Make a short list using these lines). I would:*

1. _____

2. _____

3. _____

4. _____

A Major ‘Storm’ is Arriving as I write these words. *We must be ready!*

WHAT IT MEANS TO BE READY

Although, the things I have listed below will not 'save you', they are some things we should consider doing while we expectantly await His Return to take us to our Eternal Home:

- [Prepare the Storehouse for the Saints](#) (Bible reference [Matthew 24:42-46](#)).
- [Come Together in Community](#) (Bible reference [Hebrews 10:25](#)).
- [Make Disciples](#) (Bible reference [Matthew 28:16-20](#)).
- [Find and connect with Christians](#) (Bible reference [Hebrews 10:25](#)).
- [Plan and coordinate with families](#) (Bible reference [Matthew 24:42-46](#)).
- [Organize “readiness” training classes, and more...](#) Until He returns to take us to our Eternal Home. (Bible reference [Acts 2:42-47](#)).

IMPORTANT FOOTNOTE: Don't be deceived. There is only ONE Second Coming of Christ. There will be only ONE Rapture. There will be only ONE Armageddon.

Know your Bible. Know the sequence. Be Ready, found doing as He has said. Endure to the end and be saved !!

The 2nd Advent of Christ (the second coming of Jesus) is one event which can be seen from TWO PERSPECTIVES: One perspective as seen from the earth; the other perspective, from John's prophetic vision, is seen as it unfolds - a Spiritual and Heavenly perspective!

Look at it this way: When Hurricane Irma hit the U.S. it was a **category 5 storm**; As Irma progressed up the peninsula of Florida, it became a **category 4 storm**; then as it entered Alabama it became a **category 3**

storm; and finally, as it entered Georgia, Irma became a **tropical storm;** and later as it entered Tennessee, it became a **rain event.**

To those in the various states which hurricane Irma entered, it would have appeared to them that Irma might have been 5 different storms, occurring consecutively; first a Category 5 storm, then, a Category 4 storm, then, a Category 3 hurricane, then, a Tropical storm, and, finally, a rain event. ***But if viewed “From Above” it was ONE CONTINUOUS STORM,*** progressively unfolding to its conclusion.

SO IT IS WITH THE 'LAST DAYS' AND THE 2nd COMING OF JESUS as seen in the breaking of the 'Seven Seals of the Book' as recorded in Revelation chapters 5,6,7 and 8; although, the breaking of each Seal may seem like seven

different events, if viewed “from above” it is ONE CONTINUOUS EVENT (eschatological STORM), progressively unfolding to its conclusion.

- Breaking of the 6th Seal of the Tribulation,
- The beginning of the Great and Terrible Day of the Lord,
- The beginning of Daniel’s 70th Week also known as the final 7 years of the Great Tribulation,
- Jesus’ SECOND ADVENT,
- The Rapture of the Church,
- The heaven opened, and behold, a white horse, and He who sat on it is called Faithful and True,
- From His mouth comes a sharp sword, so that with it He may strike down the nations, and He will rule them with a rod of iron; and
- He treads the wine press of the fierce wrath of God, the Almighty

Why does it matter?

- Jesus tells us that it matters because we must ‘endure to the end’ and knowing the sequence of events will help us to ‘not lose heart and faint’.
- The apostle Paul tells us that it matters, because “God takes no pleasure in the one who shrinks back”, and knowing that our ‘salvation draw near’ will help us endure to the end.
- Jesus tells us it matters and that we must stay alert and be found doing what He has commanded when He returns, or we may be

“assigned a place with the hypocrites”. Knowing the day is near will help us stay focused and ready for His return.

AGENDA 2030, THE U.N., GLOBAL MARXISM

(You can listen by audio; pause the audio to follow page links, then, when you are ready, resume the audio. Please note: I use page links in lieu of footnotes and references.)

Globalist-Marxists are known to be the driving force and top echelon of [the United Nations](#) as well as controlling the Democrat Party in America. They and their various adherents and factions around the world say that humankind is responsible for destroying the earth by depleting our natural resources and by polluting the land, the seas, lakes and streams and the air. There is no truth to these claims. It is a political ploy, a lie. Yet

the Globalist cabal say it is factual and that they have the solution. It is seductively named “The Agenda for Sustainable Development”.

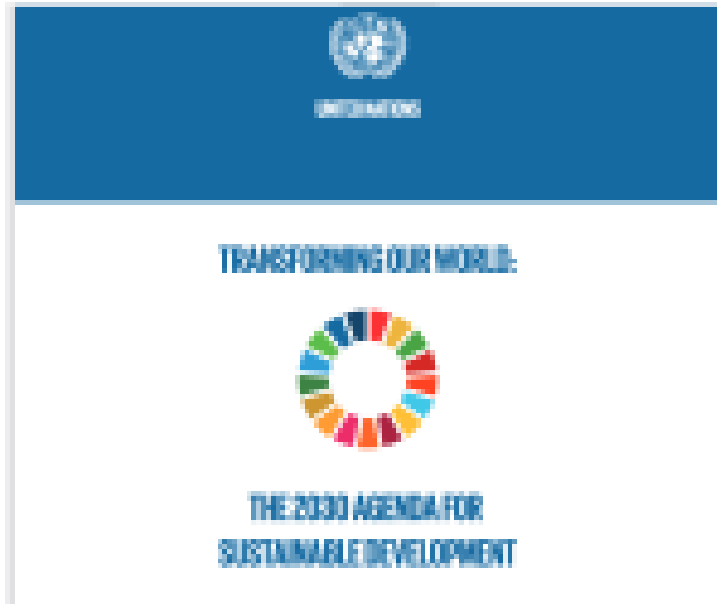

It began under the name of “[Agenda 21](#)”. The Twenty-one is a designation for ‘the 21st century’. Agenda 21 is a comprehensive plan of action to be taken globally, nationally and locally by organizations of the United Nations System, Governments, and Major Groups in every area in which human impacts on the environment. The Commission on Sustainable Development (CSD) was created in December 1992 to ensure effective follow-up of UNCED, to monitor and report on implementation of the agreements at the local, national, regional and international levels. It was agreed that a five-year review of Earth Summit progress would be made in 1997 by the United Nations General Assembly meeting in special session.

The Newest name for this United Nations organization is '[Agenda 2030](#)'. 'Twenty-thirty' designates the year their goals of Global domination will be completed.

The Sustainable Development Goals or Global Goals are a collection of 17 interlinked global goals designed to be a *“blueprint to achieve a better and more sustainable future for all”*. The SDGs were set up in 2015 by **the United Nations General Assembly** and are intended to be achieved by the year 2030’.

The Preamble of the “2030 Agenda for Sustainable Development” (Agenda 2030) says, in part:

*“This Agenda is a plan of action for people, planet and prosperity. It also seeks to strengthen universal peace in larger freedom. We recognize that eradicating poverty in all its forms and dimensions, including extreme poverty, is the greatest global challenge and an indispensable requirement for sustainable development. All countries and all stakeholders, acting in collaborative partnership, will implement this plan. We are resolved to free the human race from the tyranny of poverty and want and to **heal and secure our planet**. We are determined to take the bold and transformative steps which are urgently needed to shift the world onto a sustainable and resilient path. As we embark on this collective journey, we pledge that no one will be left behind. The 17*

Sustainable Development Goals and 169 targets which we are announcing today demonstrate the scale and ambition of this new universal Agenda. They seek to build on the Millennium Development Goals and complete what these did not achieve. They seek to realize the human rights of all and to achieve gender equality and the empowerment of all women and girls. They are integrated and indivisible and balance the three dimensions of sustainable development: the economic, social and environmental.

*The Goals and targets will stimulate action over the next fifteen years in areas of critical importance for humanity **and the planet:***

“We are determined to protect the planet from degradation, including through sustainable consumption and production, sustainably managing its natural resources and taking urgent action **on climate change**, so that it can support the needs of the present and future generations.”

Who would not want to achieve these goals and live in such a Utopian world? Beware. The goals are lofty, but, the methodologies, the implementation and the governing of the world they describe can be likened to the gulags of [Vladimir Lenin and Joseph Stalin](#), the reign of terror imposed on China by [the notorious Mao Zedong](#) or the racist Hegelian, Karl Marx’s nefarious social construct of Marxism which is responsible for the deaths of upward of 200,000,000 people. They, all, used the same [Siren’s song](#) the United Nations is using now, to lure hundreds of millions into the webs of [Agenda 2030](#).

On the subject of ‘climate change’, a simple line of reasoning will help you undo that lie of the Left. Ask yourself, “Do we have air pollution because of industry and technologies?” The answer is, ‘yes’. But the earth has created far more air pollution on its own from volcanic activity, release of CH₄ by paddy fields and cattle, release of CO by plants and animals, emission of natural gas, O₃, nitrogen oxides, cosmic rays, UV-rays etc.

So, why the global outcry about ‘climate change’. It has been found to be an effective narrative for the political goals of the Global-Marxist movement. No one can deny our climate is changing. The climate has been changing for millennia. It has never been stable.

But the Globalist-Marxist have convinced enough of the naive among the earth’s population to believe that suddenly, our fluctuating climate, is our doom. It is all a grand scheme of deception. Behind the cloak and grandeur of lies of Marxism.

About one-half of the world’s population has fallen for this lie. The poor of the world would see the opportunity to take from other countries what

their failed systems and corrupted leadership has withheld from them while living lavish lifestyles.

The educated wealthy, the powerful and elitist of the Left are being motivated to 'join the Globalist's cause' through promises of being further empowered and enriched. They will sit atop a One World Government with control over global finances, natural resources, food production, industry, technology, job creation, social constructs and anything that concerns the earth's population.

I will endeavor to take one item at a time from the Agenda 2030 , in the weeks to come, and expose the lies.

(A note to America: The Globalist in your country, at the highest levels of your government, are presently destroying your families structures, perverting your sense of morality, dismantling your legal systems, draining your treasury, corrupting your Constitution while staging the greatest coup d'etat that the world has ever seen. If you don't rise up, quickly and forcefully, you will perish as a sovereign nation. In fact, it may already be too late.)

In the following episodes, you will see how [*the United States quietly partnered with and is complicit in the implementation of the United Nation's Marxist-Globalist Agenda 21 and Agenda 2030 plans*](#). I am now presenting previously undisclosed documents showing the depth and breadth of the spread of this Agenda within the United States government and social structures.

- It begins with a document from U.S. Senator Roy Blunt, a republican: [*H.R.1319 – American Rescue Plan Act of 2021*](#).
 - Please pay particular attention to the Titles and subtitles, as they mirror the objectives outlined in the U.N. Marxist Agenda 2030.
 - Also pay attention to the 'coincidental completion dates' as they mirror the Agenda 2030 dates, as well.
- Secondly, please review the Washington Standard publication from February 18, 2022, titled, "[*ALERT: 2030 Psychological Agenda – Obedience Training for Pre-K through Adults*](#)."
- An article written by Shari Dovale, "ARP – The Path to Socialism" specifically referring to the 'American Rescue Plan',
 - [*Title 31, Subtitle A, Part 35, Subpart A, § 35.9 Compliance with applicable laws. "A recipient must comply with all other applicable Federal statutes, regulations, and Executive orders, and a recipient shall provide for compliance with the American Rescue Plan Act, this subpart, and any interpretive guidance by other*](#)

parties in any agreements it enters into with other parties relating to these funds." ([Previous](#) - [Next](#) - [Top](#))

As troubling as this seems, it has already been foretold. The Bible has warned this was coming. Inform yourself. "[THE JOURNEY TOWARD PERFECTION](#)".

My previous article explained how the Globalist-Marxist United Nations endeavors to use terms, phrases and a style of language acceptable to everyone and offensive to no one in order to hide their true agenda and the nefarious methods to be employed.

Here is another example from an **excerpt from** [U.S. Aid.Gov](#): *“The Biden-Harris Administration’s Request is a reflection of the critical importance of*

development and humanitarian assistance in advancing US interests around the world. This Budget will advance USAID efforts to: Combat Climate Change, Advance Democratic Values, Address the Root Causes of Irregular Migration, Strengthen Global Health Leadership, Bolster Humanitarian Assistance, Expand Inclusive Economic Growth, Improve Resilience and Security, Invest in Our People, and Restore Support for Key National Security Partners and Advance Peace in accordance with the Interim National Security Strategy Guidance.”

***“KEY HIGHLIGHTS OF THE PRESIDENT’S DISCRETIONARY
FUNDING REQUEST”***

“Fiscal Year (FY) 2022 President’s Budget Request For The United States Agency For International Development (USAID).

“COMBAT’S CLIMATE CHANGE”

- Increases USAID Bilateral Climate Change Programming to more than \$600 million, to dramatically expand the scale and geographic reach of USAID’s programs to combat climate change, including through investments in adaptation and resilience, renewable energy, and sustainable landscapes.*
- Builds on USAID’s comparative advantage when implementing climate change programming by leveraging relationships at the local level and supporting partner countries’ ability to achieve their Nationally*

Determined Contributions and implement National Adaptation Plans and priorities.

- *Generates creative solutions to encourage policy innovation and strengthen partner country capacity to accelerate breakthroughs in technologies and practices that promote climate resilience, carbon capture and storage, advanced energy systems, and maximize resource efficiency.*
- *Expands climate change adaptation programming and policy leadership for USAID globally, including access to weather and climate information, science and analysis for improved decision-making.”*

On the surface, what could possibly be wrong with the Biden-Harris Administration’s Request to tax the average American family for U.S. Aid to be spent abroad?

FIRST, The President’s Fiscal Year (FY) 2022 Budget Request for the State Department and the United States Agency for International Development (USAID) is \$58.5 billion. That is FIFTY-EIGHT BILLION DOLLARS of your tax money spent overseas on Marxists planned, directed and initiated goals. Goals that are designed to complete, establish and entrench a One World Governing Body which will absorb the sovereignty of the United States of America.

SECONDLY - If you doubt that the U.S. Government, our government, has jumped on board with the One World Marxist Government push, just

compare the United Nations pictorial of **Agenda 2030** and the U.S. pictorial of the same (I have hyper-linked the images to the websites):

United States Sustainable Development Goals:

United Nations Sustainable Development Goals:

The foregoing are the goals of the Globalist-Marxists, which will give them complete authority over everything that affects and concerns you, from cradle to grave.

THIRDLY – Please note, from the image below here, the Biden administration 2022 U.S. budget proposals which total Six Trillion dollars. This, of course, is a back-breaker for the U.S. Citizen who works for and earns a living. YOU WILL PAY FOR THIS IN TAX INCREASES. But, the long-term goal of budgets like this is to collapse the U.S. economy and bankrupt the Treasury, which will create the crisis needed to weaken the U.S. sufficiently in order to move her into a One World Confederation.

It takes a patient and careful reading of the budgetary goals to realize that each department and has been equipped and directed to re-educate, retrain and indoctrinate our children in the ways of Marxist thought and doctrines, (Critical Race Theory, Socialist economic theory, Marxist ideologies, etc.), through the U.S. Department of Education and our citizenry through social engineering and social programs.

The goal of this article is that the reader, and particularly the American reader, will get the point that the *United Nations Marxist Agenda 2030* [*has been embedded in, and is operational in most every nation in the world;*](#) and thanks to [*Presidents Bill Clinton and George Bush, the I.C.L.E.I.,*](#) formerly known as the *'International Council for Local Environmental Initiatives,* [*has operations embedded in over 250 known American cities and local and state*](#)

[governments](#), including the U.S. Federal Government, promoting the Marxist agenda, goals and initiatives of the United Nation's Agenda 2030.

Many of the goals of the United Nations Agenda 2030, being promoted through the World Economic Forum, are good-sounding and seemingly well-intentioned. The problem is deception. They are masking their ideology, their methodology and their end-game intentions which are [purely Communist-Marxist](#).

I trust and hope you can grasp the magnitude of what has happened over the last 76 years in America and around the world: *This may be the establishment of the long anticipated and prophesied [One World Government](#). (also see [GotQuestions.org](#) and [The End Time Prophecy Report](#))*

Hydra of Lerna

HYDRA was a mythical gigantic, nine-headed water-serpent in Greek and Roman mythology which haunted the swamps of Lerna. Heracles was sent to destroy her as one of his twelve labors, but for each of her heads that he decapitated, two more sprang forth. Its lair was the lake of [Lerna](#) was reputed to be an entrance to the [Underworld](#), The Hydra had many parallels in [ancient Near Eastern religions](#).

So, it is with the United Nations organization and all the affiliated entities which makes for a stranger-than-truth parallel to the mythological Hydra.

I would be remiss if I did not also mention the odd similarity between the United Nations structure and its perverse nature when contrasted to a Bible verse from **1 Corinthians 12:12**, *"For just as the body is one and yet has many parts, and all the parts of the body, though they are many, are one body, so also is Christ."* Recognizing that the United Nations is employing Socialist-Marxist tactics, methodologies and ideologies which advocates for the eradication of Christianity or a transformation into a godless atheism that worships the state.

Karl Marx, for example, stated that *"Christianity preaches cowardice, self-contempt, abasement, submission, humility. The social principles of Christianity are hypocritical", and that "Communism begins precisely where atheism begins"*.

Communist-Marxist atheism embodies the spirit of Antichrist which is a counterfeit and antithesis of Christianity. Communism and Marxism cannot coexist with Christianity.

It is the same with the:

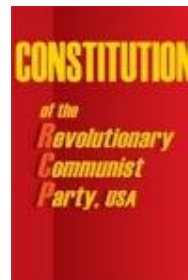

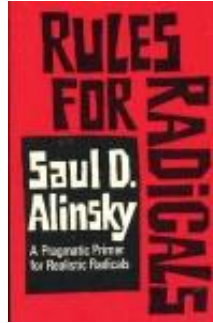

1. ***The American Democrat Party.***
2. ***Saul Alinsky and his book, 'Rules for Radicals'.***
3. ***Joe Biden's "American Rescue Plan Act of 2021".***
4. ***U.S. Sustainable Development Goals.***
5. ***The Communist Constitution and Program 2015 and .***

6. *The United Nations Agenda 2030 .*

7. *The World Economic Forum.*

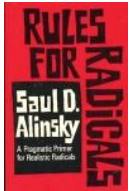

All these programs and organizations have been developed using methods from Saul Alinsky's "Rules for Radicals" and were created with the same ideologies of Communism and its variants, such as Socialism, Marxism, Leninism, and Globalism, all organized under or through the United Nations.

Another way of viewing this is that the American democrat party has the same objectives, the same ideologies and uses the same methods as the Rules for Radicals. Likewise, Alinsky's Rules for Radicals has the same objectives, the same ideologies and uses the same methods as Joe Biden's "American Rescue Plan Act of 2021". And so it goes for the U.S. Sustainable Goals, the Communist Constitution and Program 2015, the United Nations Agenda 2030 and the World Economic Forum. They all have the same objectives, the same ideologies and employ the same methods. It is a perversion of the Bible verse, "*For just as the body is one and yet has many parts, and all the parts of the body, though they are many, are one body.*" A better description is "*it is one body with many tentacles*"!

IDENTICAL in their plans, programs and purposes, these entities are working in concert, professing and practicing Socialist-Marxist Utopian goals. They are simply agents for the Globalist Marxist Agenda and a

means to restrict your personal freedoms, and to gain absolute control over international financial systems, educational systems, health care, food production and environmental controls.

Here are some detailed examples of several of these entities' objectives, ideologies and methods:

Example #1: The methods used by radical Leftists as taught in Saul Alinsky's book, are demonstrably and ostensibly used by the American Democrat Party, by Joe Biden's "American Rescue Plan Act of 2021", within the U.S. Sustainable Development Goals, within the Communist Constitution and Program 2015, by the United Nations Agenda 2030 and by the World Economic Forum.

Here is a list of the '12 Rules for Radicals' from Alinsky's book:

Rule #1. "Power is not only what you have, but what the enemy thinks you have." Power is derived from 2 main sources – money and people. "Have-Nots" must build power from flesh and blood.

Rule #2. "Never go outside the expertise of your people." It results in confusion, fear and retreat. Feeling secure adds to the backbone of anyone.

Rule #3. "Whenever possible, go outside the expertise of the enemy." Look for ways to increase insecurity, anxiety and uncertainty.

Rule #4. "Make the enemy live up to its own book of rules." If the rule is that every letter gets a reply, send 30,000 letters. You can kill them with this because no one can possibly obey all of their own rules.

Rule #5. "Ridicule is man's most potent weapon." There is no defense. It's irrational. It's infuriating. It also works as a key pressure point to force the enemy into concessions.

Rule #6. "A good tactic is one your people enjoy." They'll keep doing it without urging and come back to do more. They're doing their thing, and will even suggest better ones.

Rule #7. "A tactic that drags on too long becomes a drag." Don't become old news.

Rule #8. "Keep the pressure on. Never let up." Keep trying new things to keep the opposition off balance. As the opposition masters one approach, hit them from the flank with something new.

Rule #9. "The threat is usually more terrifying than the thing itself." Imagination and ego can dream up many more consequences than any activist.

Rule #10. “The major premise for tactics is the development of operations that will maintain a constant pressure upon the opposition.” It is this unceasing pressure that results in the reactions from the opposition that are essential for the success of the campaign. If you push a negative hard enough, it will push through and become a positive.

Rule #11. “The price of a successful attack is a constructive alternative.” Never let the enemy score points because you’re caught without a solution to the problem.

12. “Pick the target, freeze it, personalize it, and polarize it.” Cut off the support network and isolate the target from sympathy. Go after people and not institutions; people hurt faster than institutions.

Example #2: The United Nations Agenda 2030 Sustainable Goals ([see chart link](#)) has the same principals and goals as The American Democrat Party, as Joe Biden’s “American Rescue Plan Act of 2021”, as the U.S. Sustainable Development Goals, as the Communist Constitution and Program 2015, and the World Economic Forum and uses the methods of Saul Alinsky’s ‘Rules for Radicals’,

from the [United Nations web site UNESCO:](#)

Example #3: The list of The World Economic Forum's objectives, principals and goals are the same as the

- 1. American Democrat Party,*
- 2. Joe Biden's "American Rescue Plan Act of 2021",*
- 3. The U.S. Sustainable Development Goals,*
- 4. The Communist Constitution and Program 2015,*
- 5. The United Nations Agenda 2030, and*
- 6. They all use the same methods espoused by Saul Alinsky's 'Rules for Radicals':*

The objectives, principals and goals of *The World Economic Forum* are:

1. [Biodiversity.](#)
2. [Climate Change.](#)
3. [COVID-19.](#)
4. [Economic Progress.](#)
5. [Future of Food.](#)
6. [Future of the Environment.](#)
7. [Gender Inequality.](#)
8. [Global Governance.](#)

9. [Governance for Sustainability](#).
10. [Humanitarian Action](#).
11. [Restoring ocean life](#).
12. [Risk and Resilience](#).

But it must be noted that these 'noble sounding objectives' will come at the loss of many personal freedoms and individual liberties, according [the World Economic Forum's own statements](#). Additionally, 'The Commission on Global Governance' boldly states, "[This agenda will be foreign to and ignores ideas precious to the American experience](#)".

The inescapable conclusion for anyone who will take the time to see the truth and read the facts: Marxism through the Democrat Party and the United Nations has seized the United States Government from within!

A quote from The Communist Party USA Program Documents: *“The great wealth of the U.S. will for the first time be used to benefit all people.”*

The first Director-General of the U.N., Julian Huxley, in 1946, said, "The task before the United Nations Educational, Scientific and Cultural Organization is "the emergence of a single world culture" by transferring full sovereignty from separate nations to a world organization. This new world order will be a socialist, authoritarian global government and court with global rule of law and a one-world economy", according to the Commission for Global Governance.

The Obama Administration, (2009 - 2017), provided a living example of leftist globalists in action. Bankrolled by billionaire George Soros, and using the radical social-manipulation “rules” of Obama's mentor, Saul Alinsky, the Left exploits groups like Black Lives Matter as “agents of change” to help usher in their new world order. They funded and directed radical groups to sow chaos and division by politicizing leftist targets such as police by labeling them as “racist. The black community is in a grave situation and they are being exploited and manipulated by the liberal left,” said African-American Vanderbilt University law professor Carol Swain. In the same way, UN globalists manipulate the Palestinians. They play the

“racism” card to incite chaos, division and attacks against Israeli police and soldiers—just like in Ferguson, Missouri. Their strategy: foment societal disruption so as to undermine democratic foundations — then step in and take over. The Globalist agenda also includes the establishment of a one-world religion which means the political globalists have a religious arm. The UN is riddled with New Agers, occultists and others who consider freedom of religion hostile to New Age global harmony.” (*taken from The Jerusalem Post*)

I trust and hope that you, the reader, and particularly the American reader, have gotten the point that the United Nations Marxist Agenda 2030 *is embedded in and is operational in most every nation in the world*, and thanks to The United Nation’s Global Marxist movement. The same is true in America, thanks to *Presidents Bill Clinton and George Bush, the I.C.L.E.I.*, formerly known as the *International Council for Local Environmental Initiatives*, which now has *operations embedded in over 250 American cities and in local and state governments*, including our Federal Government through the Democrat party and several ‘turn coat’ Republicans who are promoting the goals and initiatives of the United Nation's Agenda 2030 of Global Marxism.

The United Nations Agenda-21, (the name meaning their objectives were to be completed by the 21st Century), was changed to Agenda 2030, (meaning their main objectives will have been completed by the year 2030).

I trust and hope you can grasp the magnitude of what has happened over the last 76 years and is now happening in America and around the world. This may be the establishment of the long anticipated and prophesied [*One World Government*](#).

WHAT NOW?

There are two major obstacles the Globalists must still overcome which are the United States Government current system of government and the U.S. Constitution and Christianity.

Donald Trump may be the last very real political threat to the Globalist-Marxists and the Marxist-American-Democrat party, (et al), who are, as of this writing, attempting to silence and overwhelm his time and efforts by using various activities such as mounting numbers of frivolous but costly and time-consuming lawsuits, defamation, questionable-to-illegal search and seizure activities and other threats to his person.

It also appears that, as of the writing of this article, (April 15, 2022 and updated September 22, 2022), [*the United States has been sufficiently*](#)

[*transformed into a Socialist system*](#) that the Globalist can turn their full attention to subversion of Christianity.

This leaves Christianity and the Gospel of Jesus Christ as the final major barrier between a free world and a godless Socialist-Marxist One World Government; and the Church has been [*under a relentless attack from within*](#) and from without for decades, and has either been replaced by institutions of religious humanism, (falsely using the name of the Christian Church), or is being transformed into a religious ecclesiastical hierarchy void of the Christian Gospel by forces inside the Church, at an alarming rate.

The Church in America and around the world is in a serious state of [*decay and apostasy*](#). This, according to the Bible, is a sign of the [*5th Tribulation Seal*](#). The next great event to occur is the breaking of the [*6th Tribulation Seal*](#), the Rapture and tribulation such as the world has never seen, the Great and Terrible Day of the Lord.

A One World church is emerging that is antithetical to the God of Christians and Jews and to The Christ of the Bible. (See, [*“The One World Church”*](#) and [*“The False Church Emerges”*](#)).

Someplace along the way, over the last two thousand years, it seems that many of the people calling themselves Christians, have come to assume that Jesus was either some kind of a ‘progressive left-wing ideologue’ or a

pacifist and have modeled their lives as such. Let's be crystal clear: Both assumptions are wrong. Dead wrong!

Unfortunately, much of the current day Church leadership in America has bought into the Leftist propaganda that the Church should stay out of politics. The problem with that assertion is two-fold:

#1. This has created confusion within the church regarding its mission and methods. The mission and methods of Jesus were never political but they were both clear and confrontational. *Jesus said, "For this purpose I have been born, and for this I have come into the world: to testify to the truth. Everyone who is of the truth listens to My voice."* **This, too, is our calling and our method of resistance in these Last Days!**

TO TESTIFY TO THE TRUTH

In [John 18:37](#), *"Therefore Pilate said to Him, "So You are a king?" Jesus answered, "You say correctly that I am a king. For this purpose I have been born, and for this I have come into the world: to testify to the truth. Everyone who is of the truth listens to My voice."* **This, too, is our calling and our method of resistance in these Last Days!**

TO BRING A SWORD

In Matthew 10:[34](#), Jesus said, *"Do not think that I came to bring peace on the earth; I did not come to bring peace, but a sword. Verse 35* For I came to

TURN A MAN AGAINST HIS FATHER, AND A DAUGHTER AGAINST HER MOTHER, AND A DAUGHTER-IN-LAW AGAINST HER MOTHER-IN-LAW; Verse 36 and A PERSON'S ENEMIES WILL BE THE MEMBERS OF HIS HOUSEHOLD." **This, too, is our calling and our method of resistance in these Last Days!**

TO FULFILL THE LAW

In Matthew 5:17, Jesus said, "Do not presume that I came to abolish the Law or the Prophets; I did not come to abolish, but to fulfill the Law and the Prophets." **This, too, is our calling and our method of resistance in these Last Days!**

TO CALL SINNERS

Mark 2:17 says, "And hearing this, Jesus said to them, "It is not those who are healthy who need a physician, but those who are sick; I did not come to call the righteous, but sinners." **This, too, is our calling in these Last Days!**

TO SAVE THE WORLD

In John 12:47, Jesus says, "If anyone hears My teachings and does not keep them, I do not judge him; for I did not come to judge the world, but to save the world." **In a very real sense, This, too, is our calling and our method of resistance in these Last Days, by lifting the Name of Jesus, telling others and leading them to Him**

TO CAST FIRE & BRING DIVISION UPON THE EARTH

In Luke 12:49, Jesus says, “I have come to cast fire upon the earth; and how I wish it were already kindled! Verse 50 But I have a baptism to undergo, and how distressed I am until it is accomplished! Verse 51 Do you think that I came to provide peace on earth? No, I tell you, but rather to create division;” This, too, is our calling and our method of resistance in these Last Days!

#2. *The Church through the teachings of the Bible explains and defines politics.* It is true that the Church should not become political nor should it let the contemporary politics influence or become the message of the Church. The Gospel of Jesus Christ, His life, His teachings, His work of salvation by His death and His resurrection are [*the core message of the Bible and the Church*](#). But when the Gospel is correctly understood and the life and message of Jesus is correctly lived out with conviction, *politics are defined within the framework of the [*Judeo-Christian ethos*](#)*. (also see The American civil war is over [*Judeo-Christian values*](#).)

“WHAT HE REALLY MEANT?”

In [*John 14:12*](#), Jesus says, *“Truly, truly I say to you, the one who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I am going to the Father. Verse 13. And whatever you ask in My name, this I will do, so that the Father may be glorified in the Son. Verse 14. If you ask Me anything in My name, I will do it.”*

I have heard so many preachers and bible teachers try to justify or explain away these Words of Jesus because they just cannot fathom the gentle and sweet ‘dashboard Jesus’ saying such things as we find in the verses cited. These same confused preachers really get tied in a knot over John 14:12. They will begin their commentary of teaching it with, “*what this really means is...*”.

Jesus said what He meant and meant exactly what He said. We need to get over it and get on with it.

Jesus always, taught the Will of His Father, then, demonstrated what He taught. He expects us to do the same. Ephesians, chapter six, gives us a clear teaching and picture of the type of preparation and **resolve** we are to assume.

STAND FIRM:

Ephesians 6:10-17, “Finally, be strong in the Lord and in the strength of His might. Put on the full armor of God, so that you will be able to stand firm against the schemes of the devil. For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places. Therefore, take up the full armor of God, so that you will be able to resist in the evil day, and having done everything, to stand firm. Stand firm therefore, HAVING GIRDED YOUR LOINS WITH TRUTH, and HAVING PUT ON THE

BREASTPLATE OF RIGHTEOUSNESS, and having shod YOUR FEET WITH THE PREPARATION OF THE GOSPEL OF PEACE; in addition to all, taking up the shield of faith with which you will be able to extinguish all the flaming arrows of the evil one. And take THE HELMET OF SALVATION, and the sword of the Spirit, which is the word of God.”

A FINAL WORD ON THE MATTER

There are three realities at play here. One is this natural world in which we live. The other reality is the 'hidden world' of ideas and thoughts which only come to light when acted upon. This second world is where the collision of the 'hidden world' and the 'unseen world' collide. The third is the 'spiritual world'.

The "Unseen World" is where everything, both seen and hidden, originate, but not like the imaginary world of ghosts or goblins. This Spiritual world is called, in the Bible, by various names such as 'The Kingdom of Heaven' or 'The Kingdom of God'. The Spiritual world is the real 'unseen' world of God.

So, when talking about and exploring past, current or developing events in our natural world, it is wise and prudent to remember that these things were spoken of and written about at length, centuries ago, in the Jewish Bible (*[also called the Hebrew Bible or Tanakh](#)* which is another term for what Christians call the Old Testament portion of the Bible.)

Understanding the past and the prophecies which have come to pass and are now appearing to us, will help you navigate the difficulties you are now facing, and even greater difficulties which are coming, and are in fact, now at hand.

Finally, ignoring these current realities, and coming events, are at your own peril.

“But concerning that day and hour no one knows, not even the angels of heaven, nor the Son, but the Father only. For as were the days of Noah, so will be the coming of the Son of Man. For as in those days before the flood they were eating and drinking, marrying and giving in marriage, until the day when Noah entered the ark, and they were unaware until the flood came and swept them all away, so will be the coming of the Son of Man. Then two men will be in the field; one will be taken and one left. Two women will be grinding at the mill; one will be taken and one left. Therefore, stay awake, for you do not know on what day your Lord is coming. But know this, that if the master of the house had known in what part of the night the thief was coming, he would have stayed awake and would not have let his house be broken into. Therefore, you also must be ready, for the Son of Man is coming at an hour you do not expect.

“Who then is the faithful and wise servant whom his master has set over his household, to give them their food at the proper time? Blessed is that servant whom his master will find so doing when he comes.” (Matthew 24:36-46).

Let's boldly advance the message of the Gospel and speak the Truth in the face of the opposition! Resist the devil, and he will flee from you! Draw near to God and He will draw near to you!

I am a practicing Christian, a disciple of Jesus, a husband of over 50 years, a father and a grandfather, a business man, a veteran and a friend to all who will have me. I have served or am serving, at various times, as an Evangelist, a Pulpit fill pastor, an Associate Pastor of Evangelism and as Senior Pastor of a church plant. My passion is for practicing and teaching the Bible, building small groups, reaching the lost with the message of the Gospel of Jesus, recovering the straying Sheep of God and the gathering together the Called of God, in neighborhoods, business settings and in churches by equipping other Christians. I have authored a few small books and I have a background in professional business management, finance and investments. I am glad to meet you, even if it is virtually.

Write me at any time and let's become friends.
