

The Mission, Purpose, Method, Means & Ways Of The Church

His Mission Is Our Mission

Jesus' mission is not merely to save people from something, it is also to save them for something—to restore them to fellowship with God, conform them to the image of His Son, incorporate them into His people, and bring them into the life of His coming kingdom

His Method Is Our Method

His method identifies the divinely appointed way that work is accomplished. In the biblical account, Jesus Christ is not only the One through whom God's method operates—He is also the divine Son, Creator, Redeemer, and Lord in whom God's purpose reaches its fulfillment.

2. His **Purpose** – know His purpose of Perfection which is driven by His Mission.
3. His **Method** – Know His Methods as revealed in scriptures. No deviation. His Methods are defined by His purpose and driven by His Mission.
4. His **Means and His Way**. He is The Way – and He is the only Way. Know Him. Know His Mission. Know His Purpose. Know His Methods. Know His Ways.

His Purpose Is Our Purpose

*Purpose is the end God intends which is Perfection; The mission is the work
Christ accomplishes to bring that end about*

His Means & Ways Are Our Means and Ways

Jesus Christ is the central divine Means or Way of creation's existence and redemption, but He is not merely a means in the instrumental sense. He is Himself the eternal Son, Creator, Redeemer, and Lord. The Father and Son act in unity with the Holy Spirit, and the ultimate glory belongs to the triune God.
